History of corner establishment since Original Government Survey

	No	13	3	
Г	5033	ЗБП		_

10. 1	of April 19 84 I found (evidence) (no evidence) of the Southwest in a corner of Section 31, T 15 N, and/R 2 W Fourth Principal Meridian, and I restablished said corner according to the Wisconsin Statutes as shown and described hereon. Dated this 8th day of May 1984 in tacce old Deputy County Surveyor, R.L.S. 132	reyor, shows this a survey done in for LaRue from the chis corner and so casting having show the direction the Monroe County epted Schroeder/L monument as it we and Monroe Corner to hid in the woods.	corner in a surfebruary of 188 e Monroe County et the corner at the hub of a whom sof the lines records, removaRue's work as as buried. I be unty Surveyors of 1900 and "re it? There can I am convinced	arvey done in AB2. He calls for Surveyor's or after a very leaded and broker and set of the correct as to the true renewed" his condition of the the call that there was the call that the call	off spokes projecting a of 1984 I found this old to a Harrison marker by the It took a great deal of ere was disagreement betwee location of this corner priner. Maybe Schroeder and explanation as the corner as a double corner back in	again at this corner to corner. Schroeder to corner. Schroeder ember of 1899 were nd buried an old bout 6" each way monument as describe to East-West fence. I work to find this een the old Vernon. Knower came back d LaRue buried their is on a sidehill up
