## CERTIFICATE

I, Laurence E Johns III, do hereby certify that on the 1sth day of April, 2011, I found evidence of the S 1/4 Corner of Section 22, T15N, R4W, Town of Portland, and I re—established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 1st day of April, 2011.

Laurence E Johns III RLS 2804 Eagle Ridge Surveying, CCC

PO Box 213 Wilton, WI 54670

## CERTIFIED LAND CORNER

History of corner establishment since Original Government Survey

Henry Maddin established this corner in February 1847. Curt Cummer was at this corner during a survey in Section 22 and re-established this corner and set a 3/4" IR.

## Description of corner evidence found:

I found the 3/4" Iron Rod set by Cummer at 6'± Southeast of a fence corner. The fence line to the North does not run due North but seems to follow the creek edge. The government survey call for a creek to be 45' (0.685 ch) West of this corner. The current creek bank is 43'± West. The current fence corner matches the prorated location very well. Cummer appears to have used the prorated location for his corner. I accepted his corner and replaced it with a TCP Monument.
