History of corner establishment since Original Government Survey

41601240000

James Carroll set an iron pipe at this corner in 1994, no ties or bearing trees.

Description of corner evidence found:

Found iron pipe set by Carroll destroyed. Falls in field road and was knocked out. Retraced his survey in Sec. 19 T16N-R2E to reset corner. Falls at intersection of existing fences north and east very well. Set T6PrCast Iron Monument down 6"+ in field road. Fits other corners along county line very well.
