History of corner establishment since Original Government Survey

No known history since the Original Government Survey.

21603090020

Description of corner evidence found:
Found no evidence of corner. Set corner on straight
line between the Northwest corner and Northeast corner of Section 16 and at an old north-south fience line. This fit the distance to the East fairly well, but is short to the West.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
