History of corner establishment since Original Government Survey

21604022000

, do hereby certify that on the ___ 19<u>88</u>, I found November (EVIDENCE) (no evidence) of the E1/4 corner of Section 2 R 4W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 29th day of Nov. 1988. Garold A. Sime, R.L.S.

Fred Holden set a 1" iron pipe at this corner in January of 1910. Doug Malliet found this iron pipe and referenced same the 13th of Feb.. 1976.

Description of corner evidence found:

Mr. Harlan Lueck, a local resident informed me that the iron pipe at the corner was destroyed during utility constrution. After searching for the iron pipe, which I could not find. I established this corner using the southerly and easterly ties that were provided by Mr. Malliet. Mr. Malliet's 16" Burr Oak has been cut down and it appears that his northwesterly tie to the corner post has been moved. I set a Harrison Monument at the location that I had established.
