Mark R. Heidecke ... do hereby 29th certify that on the _ May _19_80_I found (evidence) XXX XXXXXXX of the West 1/4 corner of Section 12 Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 6th day of June 19 80.

FORM

Registered Land Surveyor

After the Original U. S. Government Survey. Holden ran the Eastlline of Section 11-T16N-R4W and found a monument set previously by Kenyon. He then

referenced the corner to a White Oak-- S41°W-11 1ks. (7.26*).

Description of corner evidence found:

The reference tree mentioned by Holden was cut recently, but the stump remains intact. The monument was not found after an investigation of the area. A Harrison monument was set on a straight line and half-way between a 1" Axle at the Northwest Corner and the Southwest Corner of Section 12. This location fits closely the reference tie to the White Oak stump.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
