Ronald D. Parish

Registered Land Surveyor

(evidence) (no evidence) of the _corner of Section 33

Description of corner evidence found:

Set the corner equi distance from the NW corner and the SW corner of the Section and to match what little occupation I could find along the north-south line. This fits the centerline of 5th Drive, a Town Road very well.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
