No.	126

, <u>Gregory J. Hofmeister</u> , do hereby	History of corner establishment since Original Government Survey
ertify that on the <u>Eighth</u> day	This corner established by Uriah Biggs in 1845. In 1880 A.B. I
of <u>December</u> 19 <u>81</u> I found	original bearing trees and in 1906 Fred Holden observed one of

21604340020

This corner established by Uriah Biggs in 1845. In 1880 A.B. Holden identified the briginal bearing trees and in 1906 Fred Holden observed one of the two original rees, however neither remonumented the corner.

Description of corner evidence found:

accessories used to perpetuate the original or re-established location of this corner:

P-K Noil in side

7" Maple, up 0.3.

WOODS

A rotted corner post with fences north and west was found which fit the proportionate measurements within 16 feet to the west of the proportionate location and within seven feet to the north of the proportionate location. Also, this location fits the location of the north-south forty fence of the S 1/16 SW within two feet.
