CAMP

DOUGLAS, WI

November 20, 2017

I, William C. Jung seventh, do hereby certify that on the June 82 , I found (evidence) no evidence of the North 1/4 corner of Section 18 , T 18 N, R 1 E Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin

History of corner establishment since Original Government Survey
In October of 1969, Fred Zietlow found a well point at the occupied fence corner. Duke Marten shows an existing well point at this corner in his survey of January of 1974. Mark Heidecke shows an existing 2" iron pipe at this corner in his survey of June, 1980. It appears Marten and Heidecke had the same point.

Description of corner evidence found:

Statutes as shown and described hereon. Dated this 14th day of June 19 82.	a Harrison monum	x30" iron pipe (ent.	well point) and repla	aced it with	•
