Deputy County Surveyor

History of corner establishment since Original Government Survey

41801120000

In September of 1970, Fred Zietlow surveyed out Section 12 and computed the location of this corner.

Description of corner evidence found:

After retracing Zietlow's survey and checking the existing field evidence and monuments in Section 12, I set the corner at Zietlow's computed location. It fits the Town Line and the evidence in Sections 12 and 13 very well.
