## **CERTIFIED LAND CORNER**

History of corner established since Original Government Survey

Holden was at this corner in November of 1902. The 1940's McCoy boundary notes do not show a corner at this location. In December of 1982 William Jung set a Harrison monument on line with monuments found at the C 1/4 and CE 1/16 corners and at a distance from the CE 1/16 equal to the distance between the C 1/4 and CE 1/16 of Section 28.

## Description of evidence found

On August 29th, 2012, Anderson Engineering of Minnesota located the Harrison monument 0.1 feet above grade and 1.4 feet east of a 4 inch square wood post. An aluminum sign with survey marker sign is 1.0 foot east of the mark.
