CERTIFIED LAND CORNER

No. 90

21803200020

I, Lawrence A. Feddersen, do hereby certify that on the 26th. day of September 19 78, I found (evidence) (no evidence) of the North Quarter corner of Section 29, T 18 N, R 3 W, Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 3 day of October 1978.

Lawrence A. Feddersen

REGISTERED LAND SURVEYOR S-1226
Title

History of original corner establishment:

O.R. Dahl visited this corner in May of 1869.

Description of corner evidence found:

The corner was re-established at the intersection of a three-way fence. The fence intersection was considered the best possible evidence, because there are ancient posts and wire, and an old stump with wire through it at this location showing the corner has been there a long time; and because Dahl's and our distance to the NW corner of Section 29 correspond reasonably well.

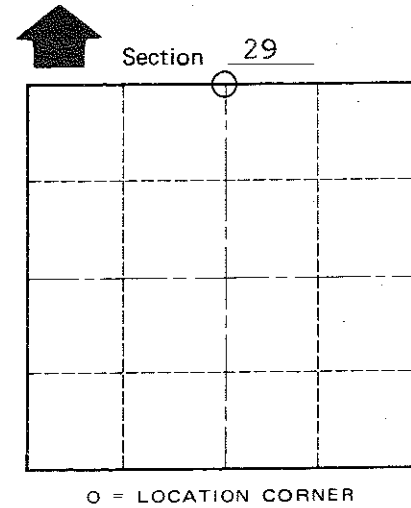

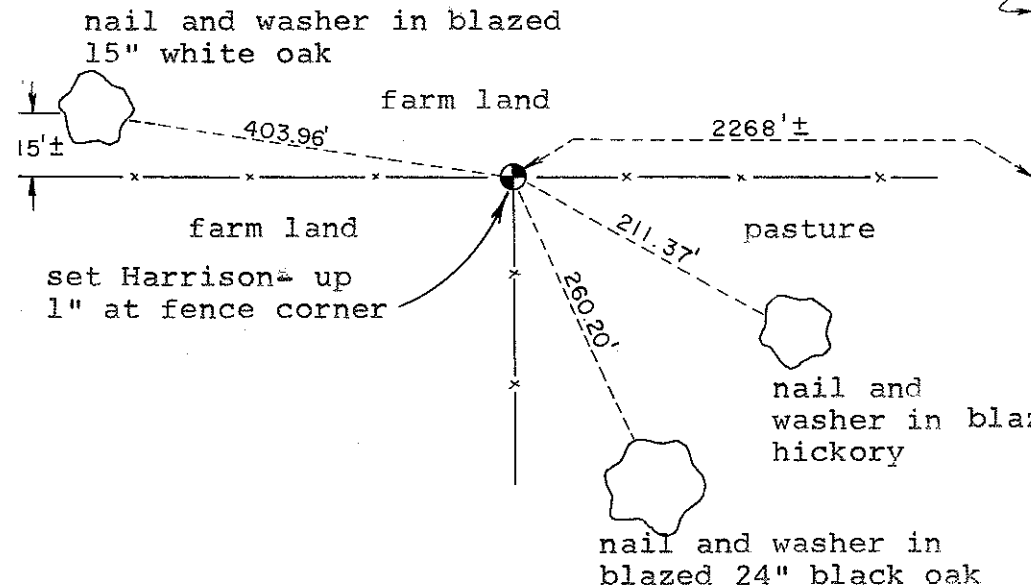

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
