JACKSON COUNTY - U.S. PUBLIC LAND SURVEY MONUMENT RECORD TYPE OF MONUMENT: Cast Iron Harrison Monument , PAGE 2462 REFERENCED FOR SURVEY RECORDED IN CSM#. 22001330000 CORNER# SURVEYOR'S FILE# OR PROJECT# Fieldbook: T20N-R1W, Pg. 14 - 15 SECTION 33 , T 20 N, R 1 W DRAWN BY: Ethan Remus SE CORNER WITNESS: Ethan Remus GEOGRAPHIC LOCATION: WISCRS- Jackson County COUNTY COORDINATE SYSTEM NAD 83 (91) LATT: 44°09'38.37405" N (TO BE ASSIGNED BY COUNTY) LONG: 90°29'46.00664" W N = 48427.7148 BASIS FOR MONUMENT LOCATION: E = 179960.2656 Please describe if this is a found, obliterated or lost corner Give a complete history of the corner listing the voi. & page, dates, surveyor and description of found monument. Please list all parole testimony and who provided it as well as other witness of recovery. Please describe the best way to reach this corner indicate how obstructed this monument might be for GPS observations. Continue on backside if necessary. (e) * James Freeman set a post for the section corner as part of the original Township Line survey in 1845. He referenced two bearing trees, a 18" Pine N26°E, and a White Oak N74°W - 287.76'. LOCATION (INDICATE W/ MONUMENT SYMBOL) ETHAN D. REMUS S-3075 BLACK RIVER FALLS WI SURVE * I have found no record, in Jackson or Monroe Counties, of anyone using this corner between 1845 and 1978. * Bill Jung visited this corner in 1978. He found a 1-1/4" iron pipe down 8" in the South road shoulder. He notes this pipe was set by Harley Sime in 1964 and used by Duane Marten in 1972. Jung accepted this pipe as the quarter corner and replaced it with a Harrison monument. He established four references to the corner. (See previous tie sheet) * Gary Dechant visited this corner in 1987. He removed the existing Harrison monument for upcoming road construction. After construction, he reset the Harrison from three existing references and drove a 3/4" iron bar to the SW for an additional reference. (See previous tie sheet) * In December of 2015, I found Sime's Harrison monument in good condition, down * In December of 2015, I found Sime's Harrison monument in good condition, down 6" below ground on the South side of a town road. I found two pieces of angle iron, likely set as guard stakes, on the SW edge of the Harrison. I found Dechant's SW and NW references in good condition. I accepted the Harrison as the section corner and drove a steel witness sign post 1' West. I retied the existing references to the SW and NW. I also tied in a 3/4" iron bar to the East, set by Tim Jeatran in CSR No. 1816. I drove two additional rebar for references as depicted below. The corner is open for GPS. History of corner establishment since Original Government Survey

(PAGE 2)

Description of corner evidence found:

George Baker, Monroe County Highway Commissioner, contacted our office and asked us to remove the Harrison Marker at this corner. because road repair was needed here. After road repair was completed, reset corner from existing ties of January 1978 survey.

Title Office

History of original corner establishment:

Description of corner evidence found:

Found a pipe set by Harley Sime in July of 1964. Duane Marten also used this pipe in June of 1972. This pipe fits the existing evidence along the North line of Section 4 very well.
