## JACKSON COUNTY - U.S. PUBLIC LAND SURVEY MONUMENT RECORD TYPE OF MONUMENT: Cast Iron Harrison Monument CORNER VOL. 10 , PAGE 1637 REFERENCED FOR SURVEY RECORDED IN CSM# \_ 22001330020 CORNER# SURVEYOR'S FILE# OR PROJECT# Fieldbook: T20N-R1W, Pg. 16 - 17 SECTION 33 , T 20 N, R 1 W \* 8 DRAWN BY: Ethan Remus S1/4 CORNER Ethan Remus GEOGRAPHIC LOCATION: WISCRS- Jackson County COUNTY COORDINATE SYSTEM NAD 83 (91) LATT: 44°09'38.17182" N (TO BE ASSIGNED BY COUNTY) LONG: 90°30'22.15799" W N = 48396.2388 E = 177324.9016 BASIS FOR MONUMENT LOCATION: Please describe if this is a found, obliterated or lost corner. Give a complete history of the corner listing the vol & page, dates, surveyor and description of found monument. Please list all parole testimony and who provided it as well as other witness of recovery. Please describe the best way to reach this corner. Indicate how obstructed this monument might be for GPS observations. Continue on backside if necessary. (0) \* James Freeman set a post for the quarter corner as part of the original Township Line survey in 1845. He referenced two bearing trees, a 10" White Oak $N66^\circ W - 12.54$ , and a 18" Pine $N41^\circ E - 41.58$ . LOCATION (INDICATE W/ MONUMENT SYMBOL) ETHAN D. REMUS S-3075 BLACK RIVER FALLS WI SURV \* I have found no record, in Jackson or Monroe Counties, of anyone using this corner between 1845 and 1972. \* Harley Sime reestablished this corner in 1972. He found an old downed fence line running E-W-N. He notes the fence intersection fit the Town line very well, so he accepted it as the best evidence of the corner. He set a Harrison monument for the corner and referenced it to three bearing trees. (See previous tie sheet) In December of 2015, I found Sime's Harrison monument in good condition, with the ground at the intersection of downed barbed wire running E-W-N. There was a steel T-Post about 7" East of the Harrison. I found Sime's Wly bearing tree was a steel T-Post about 7" East of the Harrison. I found Sime's Wly bearing tree standing dead. I'm not sure about his NW BT. I found an oak that fit distance, but there was no sign of a blaze or a nail, and without a compass bearing I could not confirm. Sime's NE BT would be logged off. I did not look for the stump since he gave no bearing to it, and the clearcut was quite thick. I accepted the Harrison as the quarter corner and drove a 7' steel witness sign post 1' South. I drove four rebar for references as depicted below. The corner is open for GPS and can be accessed from the E-SE across private lands. CERTIFIED CORRECT AND COMPLETE TO THE BEST OF MY KNOWLEDGE AND BELIEF: Eth 12 Professional Land Surveyor March 18, 2016 TIE SKETCH S S Lone Oak White In Clearcut Old Downed Barbed Wire = Found Cast Iron Harrison Monument. I, Harley A. Sime
certify that on the 16th day
of 1972, I found
(evidence) (no evidence) of the North 1/4
corner of Section 4, T 19 N,
R 1 W, Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin
Statutes as shown and described hereon.

Dated this 1st day of March 1976 .

History of original corner establishment:

Description of corner evidence found:

Accepted a 3-way fence as the best available evidence. Said corner fits the Town Line very well.

County Surveyor Approved: H

Approved: HARLEY A. SIME MONROE CO. SURVEYOR

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner: **Set a Harrison marker in the fence corner**.

Witnesses to corner location:

Duane Marten-Crew Chief
