I, Douglas J. Malliet, do hereby certify that on the 19th day of April 19 78, I found (evidence) ~~(no evidence)~~ of the W $\frac{1}{4}$ corner of Section 22, T19 N, R 1 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 19th day of May 1978.

Title

History of original corner establishment:

No subsequent history of monument perpetuation since the original U.S. Government Survey.

Description of corner evidence found:

This corner was established at the intersection of a straight line between a Harrison at the NW corner of Sec. 22 and the computed location of the W $\frac{1}{4}$ corner of Sec. 27, and the centerline of Airedale Drive. This location agrees well with measurements 1 $\frac{1}{2}$ miles South and the existing North-South fence. However, the distance to the NW corner of Sec. 22 is excessively long. It's my opinion that an error of approximately one chain was possibly made in the measurement of the West line of the NW $\frac{1}{4}$ of Sec. 22.
