History of corner establishment since Original Government	nent Survey
---	-------------

21901170020

Dated this lot day of March 1981.

David a Sime

Garold A. Sime, R.L.S. 1261

A.S. Ingalls was at this corner in April of 1873.

Description of corner evidence found:

Set 3/4" hexagon iron bar in fence corner. The 6" White Oak bearing tree called for to the SW of the S% corner, per the Original Government Sûrvêy, I could not find. The 24" White Oak shown below has scars as though it has been blazed at one time or another. It is the opinion of this surveyor that the bearing given for the 6" White Oak was in error and that the SW bearing given should have been NW. I set corner using the NW bearing and the distance given.

Description of corner and w	itness monuments, reference	ces and accessories used t	o perpetuate the original or r	e-established location	of this corner:
