(no evidence) of the South 1/4

corner of Section 10, T 19 N,

R 1 W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin

2nd day of March 19 76

Statutes as shown and described hereon.

\_19**75**\_, I found

I, Harley A. Sime

County Surveyor

of October

certify that on the \_\_\_\_lst

UPDATED CERTIFIED LAND CORNER

o. 46 Page 2

History of original corner establishment:

Since this corner was monumented by Harley Sime in October of 1975, this corner has been used in numerous surveys. The County Surveyor's Office was contacted by Norb Smith, Monroe County Highway Commissioner in the spring of 1992. He informed us that this portion of C.T.H. "E" was to be upgraded and repaved. The Harrison marker was removed July 7, 1992.

Description of corner evidence found:

Set the corner on line between the section corners and on line with existing line fence to the South.

UPDATE: Following construction, this corner was reset with a  $1\frac{1}{4}$ "x30" round iron bar in the new hot-mix paving. This corner was reset using the two iron pipes shown. Did not verify any of the other ties. (The two pipes shown were set at the time the Harrison was removed.)
