## **CERTIFICATE**

I, Nicholas M. Hillmer, do hereby certify that this document and the data contained herein was prepared by me or under my direct supervision and that I am a duly Licensed Land Surveyor under the laws of the State of Wisconsin.

Dated this 21st day of May, 2013

Nicholas M. Hillmer, P.L.S. 2909 Anderson Engineering of Minnesota, LLC.

## **CERTIFIED LAND CORNER**

History of corner established since Original Government Survey

In October of 1901 Fred Holden set a stone at this corner. In October of 1914 Keach set a pump point at this corner. The 1940's McCoy boundary notes show a corner at this location. In 1973—1974 Larry Feddersen "tied" into this corner and used it as the corner. In November of 1982 William Jung found and accepted a McCoy boundary marker as the best available evidence of the corner.

## Description of evidence found

On November 28th, 2012, Anderson Engineering of Minnesota located the McCoy monument, a 4 inch U.S. Army Corps of Engineers survey control mark disk set in concrete 0.4 feet above grade. The disk is stamped MCCOY BOUNDARY. A 4 inch square wood witness post is 1.0 foot west of the disk.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re—established location of this corner:

Witnesses to corner location:

Dan Greenwald Josh Oslund

MONROE COUNTY COORDINATE SYSTEM NAD 1983 (2007)

MCCOY MONUMENT Northing (Y) 444774.18 Easting (X) 678359.73

Base Station - 22 182W Northing (Y) 408053.25 Easting (X) 679287.00

All distances are shown in U.S. Survey Feet. Ties are to 60D nails set in trees. Bearings are for tie reference purposes only. Coordinates were derived from RTK GNSS procedures.

History of corner establishment since Original Government Survey

21902162000

William C. Jung do hereby certify that on the of November 19 82 I found (evidence) con evidence of the West 1/4 corner of Section 15 R 2 W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Deputy County Surveyor

21st day of Dec. 1982.

In October of 1901 Holden set a stone at this corner. In October of 1914 Keach set a pump point at this corner. According to the McCoy boundary

notes, this corner was probably monumented during WWII. In 1973-1974, Larry Feddersen (while with Sime and Associates) "tied" into this corner Description of corner evidence found: and used it as the 1/4 corner.

I found a McCoy boundary marker. I searched at some length but could not find Holden's stone or Keach's pump point. I accepted the old McCoy marker as the best available evidence of the 1/4 corner.

> Approved: HARLEY A. SIME MONROE CO. SURVEYOR
