I, Norman R. Hurlburt , do hereby certify that on the 29th day of April 1983, I found (exidence) (no evidence) of the SE corner of Sec. 35 , T.19 N, R.5W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 4th day of May 1983.

Description of corner evidence found:

This corner was set at proportional distance between the SW corner of Sec. 35 and the SE of 36. This position is about 30 feet west of the fence, but the line north falls about 15 feet east of the 1/16 corner, thus indicating a significant bend in the fence and putting its reliability in question.
