CERTIFICATE

I, Laurence E Johns III, do hereby certify that on the 11th day of May, 2012, I found (evidence) (no evidence) of the E 1/4 Corner of Section 32, T18N, R4W, Fourth Principle Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 28th day of August, 2012.

Laurence E Johns III RLS 2804 Eagle Ridge Surveying, CCC PO Box 213 Wilton, WI 54670

CERTIFIED LAND CORNER

History of corner establishment since Original Government Survey

This corner established by John Dunn in December 1846. CM Keach was at this corner, in June 1903, and found an original bearing tree. Dwayne Hefner was at this corner, in October 2002. He established this corner at fence corner and set the center of section based on this corner.

Description of corner evidence found:

I could not find the corner as shown on Hefner survey. I re-established his corner by using the W 1/4 Corner and the Center of Section that Hefner had established. I extended the distance from the Center of Section and this fit the old fence corner real well. This corner is also within 6" of the mid-point between the NE & SE Corners. I set a Harrison monument at this location and accepted it as the best available evidence of the original goverment corner.
