I, William C. Jung	do hereby
certify that on the 19th	day
of October 19 8 (evidence) of the East	5, I found
(evidence) (no evidence) of the East	1/4
corner of Seconom 1)	Г <u>то                                    </u>
R 4 W, Fourth Principal Meridian,	and I re-
established said corner according to the	
Statutes as shown and described hereon.	•

Dated this 16th day of Nov. 1985.

Registered Land Surveyor 1323

## History of corner establishment since Original Government Survey

No known recorded history since the original government survey.

Description of corner evidence found:

One of the original government bearing trees was a 9" white oak, N64°E, Il links. I believe that I found the original stump. It was a white oak, partially rotted away, and appeared to have some of the old scar still visible. Bryan Meyer agreed that this seemed to be the original tree. The corner was then set off this tree. The corner as thus set is almost equidistant (within 0.96')

		distances are	e very short of tl	he original r	notes, but this fits t
