History of original corner establishment:

Government Survey.

21804130000

I Lawrence A. Feddersen do hereby certify that on the 26th. September 19 78 I found (evidence) (no evidence) of the Southwest corner of Section 18 R 3 W, Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

REGISTERED LAND SURVEYOR S-1226

Description of corner evidence found:

LAWRENCE A. FEDDERSEN

\$-1226

TOMAH

This corner was re-established at the intersection of a North-South fence and a Westerly fence. This location was shown to us by Mr. Robert Isensee, who owns land at this corner location, and who claims that this fence intersection has been considered the corner of the three townships for years.

No subsequent history of corner perpetuation since the original U.S.
