I, Harley A. Sime , do hereby certify that on the lith day of November 1980, I found (evidence) (no evidence) of the South 1/4 corner of Section 10 , T 15 N, R 1 W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 11th day of Nov. 1980.

Approved: HARLEY A. SIME MONROE CO. SURVEYOR

Davy was here in November of 1926. He set an iron rod.

Description of corner evidence found:

Set on line with C¼ and CS 1/16 corners and at the same distance as between the 2 said corners. Could not find Davy's bar. A local farmer said the corner was supposed to be South of the fence corner.Our final location agrees with this opinion. Set a 1¼" iron bar.
