I, Gary L. Dechant , do hereby certify that on the 6th day of March 19 84, I found (evidence) (no evidence) of the Corner of Section 30 , T 18 N, R 4 W Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 8th day of March 1984.

Registered Land Surveyor, S-1744

Fred Holden in April of 1899, at that time Deputy County Surveyor under Hamilton LaRue, was at this corner and shows two bearing trees in his notes for this corner.

Description of corner evidence found:

Found a stone monument with half a cross at a four way fence corner. Used the stone as the corner as it fits line between the section corners extremely well and is half way between the section corners within $1'\pm$.

We do not know who set the stone as it is not on record in the Monroe County Courthouse.
