Field Tour Itinerary and Logistics (12:30-3:30pm):

This trip is open to all members of the CC Task Force and members of the public.

We will caravan using private vehicles. Carpooling is encouraged to minimize vehicles.

The tour will begin in Sparta and conclude near Cashton. No bathroom facilities are provided.

The tour will be entirely outside and will follow Monroe County protocols for COVID-19. Please maintain personal distance as reasonable. Vulnerable persons are encouraged to wear masks or take other precautions as warranted.

12:30 – Participants Meet in the Land Conservation Department parking lot, 820 Industrial Drive, Suite 3, Sparta, WI. Briefing in parking lot.

12:40 - Depart south on Hwy 27.

1:00 - Stop at Weather Monitoring Station and Stream Crossing – Market Road Bridge, Little La Crosse Watershed

1:45 - Visit failed PL566 (Korn) dam off of Nashville Ave., Portland Township

2:30 - Arrive at the Tucker Gretebeck Farm in the Coon Creek Watershed

3:30 - Tour concludes.
