#### RESOLUTION NO. 09-11-06

## RESOLUTION ESTABLISHING NONLAPSING PROVISION FOR CONTINGENCY FUND BALANCE AND GENERAL FUND BALANCE POLICY

WHEREAS, in the current and preceding Monroe County Annual Audit Management Communication the County's audit professionals recommended the County adopt a Fund Balance Policy to use as a guide in applying excess funds on hand to a subsequent years' budget to reduce the required tax levy; and

WHEREAS, Monroe County continues to be required to budget and levy for annual operations under state mandated restrictions of operating rate limits, levy rate limits and reductions in shared revenue; and

WHEREAS, Monroe County continues to be required to provide unfunded and/or underfunded state mandated programs and services, and

WHEREAS, during any current or future biennial budget cycle the state may arbitrarily impose additional mandates and/or restrictions upon the operations and funding of County services, and

WHEREAS, Monroe County relies heavily on Fort McCoy, economic development, property valuations, investment interest earnings and sales tax revenue to balance the annual operating budget, and

WHEREAS, numerous foreseen and unforeseen local, regional, national and international economic forces such as military policy, unemployment rates, economic downturn, interest rates and/or acts of mother nature or terrorism may have a serious negative impact on Monroe County's short and long-term financial resources, and

WHEREAS, Monroe County has numerous areas of volatile operation that run the inherent risk of substantial unforeseen funding shortfalls due to the nature of their operations and the legal obligations of the County such has Property Management, Highway, Human Services, Rolling Hills Nursing Home and the Jail, and

WHEREAS, due to historical experience the Monroe County Jail presently has a seriously deficient Liability Insurance coverage amount of \$2M putting the County in the position of self-funding any present and future liability claims in excess of the coverage amount, and

WHEREAS, Monroe County's sole source of funds to protect and insure consistent County services, safeguard against operational volatility, shield against present and future State or Federal unfunded mandates, and/or fund excess liability claims against the County are the Contingency and General Fund Balances, and

WHEREAS, in recent history Monroe County has experienced such insufficient cash flow as to threaten the ability of the County to meet financial, payroll and tax settlement obligations, and

WHEREAS, the Monroe County Finance Committee supports the recommendations of financial professionals in establishing a Fund Policy that supports mitigating the impact of the general fund levy on County taxpayers while protecting County financial operations, obligations and liability.

NOW, THEREFORE, BE IT RESOLVED the Monroe County Board of Supervisors does hereby establish a Monroe County General Fund Reserve Policy that requires a minimum general fund balance equal to 18% of the total annual County operating budget, excluding refundable prepayments and GAAP defined nonspendable, restricted, committed, and assigned (designated) account balances.

BE IT FURTHER RESOLVED that the minimum General Fund Reserve balance include an additional \$1M as a provision to cover unexpected volatile operational costs, an additional \$2M as a provision to cover delinquent tax collections and an addition \$3M as a provision to cover potential Monroe County Jail liability claims. This amount may be reduced annually in an amount equal to any increase in Jail Liability Insurance coverage the County is able to obtain, not to exceed \$3M:

BE IT FURTHER RESOLVED that effective 12/31/2011, in order to maximize County operations subsidized by tax levy, the annual Contingency Fund year end balance shall be designated a nonlapsing fund.

BE IT FURTHER RESOLVED that if on December 31 of any given fiscal year, the General Fund balance should fall below the General Fund Policy amount as established herein, the December 31 Contingency Fund balance shall lapse to the General Fund, in entirety or in an amount as determined by the Finance Committee, sufficient to bring the General Fund balance into compliance with this Fund Policy.
