I, Garold A. Sime , do hereby certify that on the 18th day of December 1986, I found (evidence) (nexembers of the SE corner of Section 7, T19 N, R 1 E Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 29th day of Dec. 1986

Deputy County Surveyor

Kennedy was near this corner but does not actually locate same. He calls for the road north as being close to corner. The Town Road records call for the centerline of the road being on the section line.

Description of corner evidence found:

I established this corner at the intersection of the centerlines of C.T.H."E" and 29th Ave. as best available evidence. This location fits Kennedy's distance to the east and to the south fairly well
