## NOTICE OF MEETING

COMMITTEE: Sanitation, Planning & Zoning, & Dog Control  
DATE: May 15, 2023  
TIME: 6:00 P.M.  
PLACE: Monroe County Justice Center  
Monroe County Board Assembly Room  
1<sup>st</sup> Floor - Room #1200, 112 South Court Street, Sparta, WI 54656  
\*\*\*(Please use the South Side/Oak Street Entrance)

---

### SUBJECT MATTER TO BE CONSIDERED

#### Discussion and possible action of the following:

- a. Roll Call
- b. Possible Corrections and Approval of April 17, 2023 Meeting Minutes.
- c. Public Hearings

Application of Luke S. Morgan for a **conditional use permit** for a private grass runway for light general aviation aircraft located off of Bedford Rd between Bedford and Hwy 27, Sparta, WI, in part of the SE ½ of Section 22, T19N, R4W, Town of Little Falls, Tax Parcel ID# 026-00457-0000 and 026-00455-0000, 40 acres. The adjoining land use is woodlands and agriculture.

Application of Jozef Koniecko and Gordon Alexander/Haley Alexander for a **conditional use permit** to replace CUP permit #004-23 issued on 1-16-23 to add rental of U-Haul U-Box containers to the operation of the small business for U-Haul rentals and installing intoxalocks on vehicles. Also to remove the condition of installing an 8' fence on the South and West side of the parking area, at 29244 State Hwy 21, Tomah, WI in part of the SW 1/4, SW 1/4, Section 17, T18N, R1E, Town of Byron, parcel number 006-00392-0000, 15 acres. The adjoining land use is residential and agriculture.

Application of Donald and Donna Justin/Dawn Justin for a **conditional use permit** to operate a Farmers Market, Flea Market and Retail Store located at 7452 Kathryn Ave, Sparta, WI, in part of the SE ¼ of NW ¼ Section 22, T16N, R4W, in the Town of Leon, part of Tax Parcel ID# 022-00470-0000, 39 acres. The adjoining land use is agriculture.

- d. Sanitation & Zoning Dept Questions & Updates

Sanitation and Zoning Permit fees

Zoning Code Changes

- sign locations
- navigability determination fee
- “front” yard setback

- e. Dog Control Dept Questions & Updates

- f. Financial Report - Vouchers - Inter-departmental Transfers - Line Item Transfers – Budget Adjustments

**g. Set Date for Next Meeting, Possible Agenda Items.**

**h. Adjournment**

\_\_\_\_\_  
James Kuhn, Chairman

Note: A quorum of the Monroe County Board of Supervisors or Committees may be present but no County Board or Committee business other than the Sanitation, Planning & Zoning and Dog Control Committee will be conducted.

4-17-2023

## **Sanitation/Planning & Zoning/Dog Control**

Meeting called to order at 6:00 P.M. by James Kuhn in the Monroe County Board Assembly Room 1<sup>st</sup> Floor - Room #1200, 112 South Court Street.

Present: Jim Kuhn, Cedric Schnitzler, Todd Sparks, Zach Zebell and Mary Cook.

Also Present: Alison Elliott-Sanitation, Zoning, Dog Control Director.

### **Possible Corrections and Approval of March 20, 2023 Meeting Minutes.**

Discussion was held.

A **motion** was made by Todd Sparks, seconded by Mary Cook, to approve the minutes from the March 20, 2023 meeting. Motion carried: 5-0.

### **FEMA (Federal Emergency Management Agency) Buyout Grant update.**

Alison updated the Committee on the status of the close out for the FEMA Buyout grant. She explained the grant had been split into two Sub-grants. Sub-grant 1 covered two properties on Jameson Rd and one on Hammer Rd and Sub-grant 2 covered three properties on State Hwy 27. The first sub grant for the Jameson and Hammer Rd properties is very close to being officially closed out. The final close out documentation has been signed by the County and we are just waiting on FEMA's final approval.

Sub-grant 2 final site inspection was done last year. We are just waiting on FEMA and the Department of Natural Resources (DNR) to come to an agreement on the wording that was used in the deed restrictions to proceed with the closeout. We have not heard how this is progressing since last year.

Two other properties, one on St Hwy 27 and one on Icarus Rd, were purchased with a grant from Coulee Cap that has been finalized since last year.

### **Sanitation & Zoning Dept Questions & Updates**

Alison notified the Committee about 700 final notices for septic maintenance would be mailed out Tuesday April 18, 2023. There are about 600 first notice septic maintenance letters scheduled to be mailed May 1, 2023.

### **Sanitation and Zoning Permit Fees**

Committee reviewed a handout of the proposed fee changes for the Sanitation Dept that was discussed last month. These changes, if approved would take affect beginning in 2024 and would be used to estimate budget revenues for 2024.

The Committee requested a copy of what will be posted in the paper as notification for these changes for clarification at next month's meeting.

A **motion** was made by Zach Zebell, seconded by Mary Cook, to approve the proposed fee increase for the Sanitation Dept to take affect January 1, 2024. Motion carried: 5-0. These changes will be forwarded to the Full County Board for Approval.

Zoning Fees were not discussed at this time.

### **Zoning Code Changes**

Alison handed out proposed changes to the General Zoning Code Ch 47. Alison reviewed the proposed changes with the Committee. One of these changes involved creating a structure setback to a "front" property line that is not adjacent to the road. Alison explained that this situation would apply when a smaller parcel is split out of the middle of a larger parcel that adjoins the road and now surrounds the smaller parcel on all sides.

4-17-2023

The resulting "back" line of the smaller parcel currently has no required setback for buildings located on the larger parcel.

Other proposed changes involved sign setbacks from an intersection or another sign and the creation of a fee for Navigability Determinations by Zoning Department staff.

Alison briefly explained the process for amending the zoning code and fees and gave the Committee a hand out with the relative code sections for reference. Cedric requested Alison consult Corporation Counsel to see if it could be added to the Code that fees would increase by a certain percentage every year rather than set a specific amount each time.

Discussion was held.

These changes will be placed on the next month's agenda.

**Shoreland Zoning Code Changes**

Alison informed the Committee that the State is developing a new model Shoreland Zoning ordinance that will incorporate the changes made to Wis. Admin. NR115 in 2022. This model ordinance should be available for adoption in the fall of 2023.

**Dog Control Dept Questions & Updates**

Discussion was held.

**Financial Report**

**FINANCIAL REPORT - VOUCHERS - INTER-DEPARTMENTAL TRANSFERS – CREDIT CARD EXPENDITURES – LINE ITEM TRANSFERS – BUDGET ADJUSTMENTS**

**March 2023**

Department Vouchers		Interdepartmental Transfers		Credit Card Voucher	
Sanitation	1,821.44	Sanitation		Sanitation Credit	
Zoning	54.00	Zoning		Zoning	
Dog Control BOA	2,180.88	Dog Control		Dog Control LR	1,008.28
<b>Total</b>	<b>4,056.32</b>				<b>1.008.28</b>

Discussion was held

**Set Date for Next Meeting and Possible Agenda Items.**

The next meeting will be held Monday, May 15, 2023 and will start at 6:00 pm in the Monroe County Justice Center Monroe County Board Assembly Room 1<sup>st</sup> Floor - Room #1200, 112 South Court Street, Sparta, WI 54656. Agenda items: (3) CUP's.

A **motion** to adjourn was made by Cedric Schnitzler seconded by Zach Zebell. Motion carried: 5-0.

Meeting adjourned at 7:05 PM.

*Recorded by Gretchen Jilek*

The minutes are not official until approved by the Zoning Committee at their next regular meeting.

**Staff Report**  
**Monroe County Planning & Zoning Department**  
Luke S. Morgan  
Hearing Date: May 15, 2023

---

Property Owner(s): Luke S. Morgan  
Town: Little Falls  
Site Address: Bedford Rd.  
Parcel Id: 026-00455-0000 & 026-00457-0000  
Legal Description: SE1/4, SE ¼ and SW1/4, SE 1/4, Section 22 T19N, R4W  
Total Acres: 40 Acres  
Current Zoning: GA General Agriculture  
CUP Requested: Airstrip- grassed runway for light aircraft  
Link to Monroe County Comprehensive Plan referenced below: [http://www.co.monroe.wi.us/wp-content/uploads/2015/02/MonroeCounty\\_ComprehensivePlan\\_Revised%209-24-14.pdf](http://www.co.monroe.wi.us/wp-content/uploads/2015/02/MonroeCounty_ComprehensivePlan_Revised%209-24-14.pdf)  
Attachments: 1. Application  
2. Site Maps

---

**Background:**

**Purposed for Request:**

To install and operate a private airstrip-grassed runway for light aircraft.

**General Features of the Property:**

Based on the county zoning map the parcel is bounded on West, North and East sides by parcels zoned General Agriculture and on the South by parcels zoned General Forestry. Access for this parcel is off of Bedford Rd. which borders the east side of the property. The property is divided on the west side by State Highway 27. Airstrip is proposed to be located between Bedford Rd and State Highway 27.

Current land use is indicated as Agriculture/Open Land. (see *Existing Land Use-Map 12*) Adjoining land use to the site is currently agriculture and woodlands with some residential.

**Monroe County Comprehensive Plan:**

This parcel does not contain Shorelands, Wetlands or Floodplain.

---

**Technical Review Findings:**

Sec. 47-292(12) of the Monroe County Zoning Ordinance requires a Conditional Use Permit for a Public and semipublic uses in a General Agriculture Zoning District.

**Applicable Statutes and Criteria:**

The Planning & Zoning Committee may consider the following provisions before granting approval for the Conditional Use Permit:

1. The proposed use is consistent with Monroe County Zoning Ordinance and all other applicable Ordinances.
2. The proposed use is consistent with surrounding land uses.
3. The Town's approval or disapproval of the request.
4. Conditions to be placed on the permit per Sec. 47-584(d) of the Zoning Ordinance.

*Under Section 59.69(5e) of Wis. Stats created by 2017 Act 67: Any condition imposed must be related to the purpose of the ordinance and be based on substantial evidence as defined below. The requirements and*

May 2, 2023

*conditions must be reasonable and, to the extent practicable, measurable. The applicant must demonstrate that the application and all requirements and conditions established by the county relating to the conditional use are or shall be satisfied, both of which must be supported by substantial evidence.*

**Planning and Zoning Committee Action:**

Pursuant to Section 47-584 of the Zoning Ordinance, The Planning and Zoning Committee may do one of the following:

1. Approve the Conditional Use Permit as requested.
2. Approve the Conditional Use Permit with Conditions.
3. Deny the Conditional Use Permit with reason.

*Section 59.69(5e) of Wis. Stats States that If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in the county ordinance or those imposed by the county zoning committee, the county shall grant the conditional use permit. The county's decision to approve or deny the permit must be supported by substantial evidence.*

**Definitions:** Wis Stats Section 59.69(5e)(a)(2) "Substantial evidence" means facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

                              2. Wetlands Map  
                              3. Site Map  
                              4.-7. Uhaul U-Box information  
                              8. Conditions for CUP #004-23  
                              9. Shoreland Zoning Code Sec. 53-333 – Conditional Use Permits

---

**Background:**

**Purposed for Request:**

To replace CUP permit #004-23 issued on 1-16-23 to add rental of U-Haul U-Box containers to the operation of the small business for U-Haul rentals and installing intoxalocks on vehicles. Also to remove the condition of installing an 8' fence on the South and West side of the parking area.

**General Features of the Property:**

The parcel contains a mapped Intermittent Stream, Shorelands and mapped Wetlands. According to the wetlands map approximately 3 acres of the 15 acre parcel is mapped as upland. Access for this parcel is off of State Highway 21. The west side of the parcel is bordered by State Highway 173 however there is not access from that road due to the mapped wetlands.

Current land use is indicated as Forested. (see *Existing Land Use-Map 12*) Adjoining land use to the site is currently business, agriculture and some residential.

---

**Technical Review Findings:**

Sec. 53-94 of the Monroe County Zoning Ordinance requires a Conditional Use Permit for businesses in the General Purpose Shoreland Zoning District.

Sec. 53-64 of the Monroe County Zoning Ordinance prohibits this type of business in the Shoreland-Wetland Zoning District. This would include any storage of items within the mapped wetlands.

**Applicable Statutes and Criteria:**

The Planning & Zoning Committee may consider the following provisions before granting approval for the Conditional Use Permit:

1. The proposed use is consistent with Monroe County Zoning Ordinance and all other applicable Ordinances.
2. The proposed use is consistent with surrounding land uses.
3. The Town's approval or disapproval of the request.
4. Conditions to be placed on the permit per Sec. 53-333 of the Zoning Ordinance.

*Under Section 59.69(5e) of Wis. Stats created by 2017 Act 67: Any condition imposed must be related to the purpose of the ordinance and be based on substantial evidence as defined below. The requirements and conditions must be reasonable and, to the extent practicable, measurable. The applicant must demonstrate that the application and all requirements and conditions established by the county relating to the conditional use are or shall be satisfied, both of which must be supported by substantial evidence.*

**Planning and Zoning Committee Action:**

Pursuant to Section 53-333 of the Zoning Ordinance, The Planning and Zoning Committee may do one of the following:

1. Approve the Conditional Use Permit as requested.
2. Approve the Conditional Use Permit with Conditions.
3. Deny the Conditional Use Permit with reason.

*Section 59.69(5e) of Wis. Stats States that If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in the county ordinance or those imposed by the county zoning committee, the county shall grant the conditional use permit. The county's decision to approve or deny the permit must be supported by substantial evidence.*

**Definitions:** Wis Stats Section 59.69(5e)(a)(2) "Substantial evidence" means facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

Hey Alison,

Here is the best brochure I could find for U-Box. It shows the size of the boxes, can be delivered to the customers residence or could be delivered to the secured storage facility.

Customers will have access to their U-Box during normal business hours with a 24 hour prior notice.

Thank you,

Haley

### Flexible

U-Box containers can be used to store your belongings until you're ready to move into your new home. We can ship them across town or across the world and store them for you until you are ready. You can even use them as extra storage on your property.

### Secure

Containers are sealed with your lock and key. Your goods are transported by trucks with gen  
ride suspension for safe shipping. While in  
storage, your possessions are kept in a secure  
U-Haul® facility.

Feedback

Conditions for CUP #004-023 issued 1-16-23

- 1) By June 1, 2023 a minimum 8' high fence on the west and south side of the parking area must be installed so that the vehicles parked there are not visible from the road.
- 2) Vehicles may only be parked within the fenced area. No vehicles shall be parked outside the fence on the sloping sides of the parking area or in wetlands.
- 3) No vehicle service may be performed on site that involves lubricants, oils, coolants or other fluids.

---

**Sec. 53-333. Conditional use permits (special exception permits).**

- (a) *Application for a conditional use permit (special exception permit).* Any use listed as a special exception or conditional use in this chapter or chapter 47, shall be permitted only after an application has been submitted to the zoning administrator and a conditional use permit or special exception permit has been granted by the zoning committee per section 47-584 of this Code. To secure information upon which to base its determination, the zoning committee may require the applicant to furnish, in addition to the information required for a zoning permit, the following information:
- (1) A plan of the area showing surface contours, soil types, ordinary high-water marks, groundwater conditions, subsurface geology and vegetative cover.
  - (2) Location of buildings, parking areas, traffic access, driveways, walkways, piers, open space and landscaping.
  - (3) Plans of buildings, sewage disposal facilities, water supply systems and arrangement of operations.
  - (4) Specifications for areas of proposed filling, grading, lagooning or dredging.
  - (5) Other pertinent information necessary to determine if the proposed use meets the requirements of this chapter.
  - (6) Rationale for why the proposed conditional use or special exception meets all of the conditional use or special exception criteria listed in the ordinance.
- (b) *Standards applicable to all conditional uses and special exceptions.* In deciding a conditional use or special exception application, the zoning committee shall evaluate the effect of the proposed use upon:
- (1) The maintenance of safe and healthful conditions.
  - (2) The prevention and control of water pollution including sedimentation.
  - (3) Compliance with local floodplain zoning ordinances and opportunity for damage to adjacent properties due to altered surface water drainage.
  - (4) The erosion potential of the site based upon degree and direction of slope, soil type and vegetative cover.
  - (5) The location of the site with respect to existing or future access roads.
  - (6) The need of the proposed use for a shoreland location.
  - (7) Its compatibility with uses on adjacent land.
  - (8) The amount of liquid and solid wastes to be generated and the adequacy of the proposed disposal systems.
  - (9) Location factors under which:
    - a. Domestic uses shall be generally preferred;
    - b. Uses not inherently a source of pollution within an area shall be preferred over uses that are or may be a pollution source;
    - c. Use locations within an area tending to minimize the possibility of pollution shall be preferred over use locations tending to increase that possibility.
- (c) *Conditions attached to conditional uses and special exceptions.* Such conditions may include specifications for, without limitation because of specific enumeration: Type of shore cover; specific sewage disposal and water supply facilities; landscaping and planting screens; period of operation; operational control; sureties;

---

deed restrictions; location of piers, docks, parking and signs; and type of construction. Upon consideration of the factors listed above, the zoning committee shall attach such conditions, in addition to those required elsewhere in this chapter, as are necessary to further the purposes of this chapter. Violations of any of these conditions shall be deemed a violation of this chapter. In granting a conditional use permit or special exception permit, the zoning committee may not impose conditions which are more restrictive than any of the specific standards in this chapter. Where the ordinance is silent as to the extent of restriction, the board may impose any reasonable permit conditions to affect the purpose of this chapter.

- (d) *Decision.* The zoning committee shall state in writing the grounds for granting or denying a conditional use or special exception permit.
- (e) *Recording.* When a conditional use permit or special exception permit is approved, an appropriate record shall be made of the land use and structures permitted. Such permit shall be applicable solely to the structures, use and property so described.
- (f) *Revocation.* Where the conditions of a conditional use permit or special exception permit are violated, the conditional use permit or special exception permit shall be revoked.

**Staff Report**  
**Monroe County Planning & Zoning Department**

Donald and Donna Justin & Dawn Justin

Hearing Date: May 15, 2023

---

Property Owner(s): Donald and Donna Justin  
Co- Applicant: Dawn Justin  
Town: Leon  
Site Address: 7452 Kathryn Ave  
Parcel Id: 022-00470-0000  
Legal Description: SE1/4, NW 1/4, Section 22 T16N, R4W  
Total Acres: 39 Acres  
Current Zoning: GA General Agriculture  
CUP Requested: Retail Sales in Lodge, Farmers Market and Flea Market

Link to Monroe County Comprehensive Plan referenced below: [http://www.co.monroe.wi.us/wp-content/uploads/2015/02/MonroeCounty\\_ComprehensivePlan\\_Revised%209-24-14.pdf](http://www.co.monroe.wi.us/wp-content/uploads/2015/02/MonroeCounty_ComprehensivePlan_Revised%209-24-14.pdf)

Attachments: 1. Application  
2. Site Map

---

**Background:**

**Purposed for Request:**

Current use of this property is Justin Trails Resort. This includes a Bed and Breakfast, Event Venue and Tourist Rooming House. This application is to be able to sell products out of the Lodge Store and host Farmer's Markets and Flea Markets.

**General Features of the Property:**

Based on the county zoning map the parcel is bounded on all sides by parcels zoned General Agriculture. Access for this parcel is off of Kathryn Ave, a dead end road.

Current land use is indicated as Agriculture/Open Land. (see *Existing Land Use-Map 12*) Adjoining land use to the site is currently agriculture.

**Monroe County Comprehensive Plan:**

This parcel does not contain Shorelands, Wetlands or Floodplain but does contain a mapped intermittent stream.

---

**Technical Review Findings:**

Sec. 47-292(15) of the Monroe County Zoning Ordinance requires a Conditional Use Permit for a Small Business in a General Agriculture Zoning District.

47-7 Definitions

*Small business* means any occupation for gain or support conducted on property by resident occupants which is customarily incidental to the principal use of the premises.

**Applicable Statutes and Criteria:**

The Planning & Zoning Committee may consider the following provisions before granting approval for the Conditional Use Permit:

May 2, 2023

1. The proposed use is consistent with Monroe County Zoning Ordinance and all other applicable Ordinances.
2. The proposed use is consistent with surrounding land uses.
3. The Town's approval or disapproval of the request.
4. Conditions to be placed on the permit per Sec. 47-584(d) of the Zoning Ordinance.

*Under Section 59.69(5e) of Wis. Stats created by 2017 Act 67: Any condition imposed must be related to the purpose of the ordinance and be based on substantial evidence as defined below. The requirements and conditions must be reasonable and, to the extent practicable, measurable. The applicant must demonstrate that the application and all requirements and conditions established by the county relating to the conditional use are or shall be satisfied, both of which must be supported by substantial evidence.*

**Planning and Zoning Committee Action:**

Pursuant to Section 47-584 of the Zoning Ordinance, The Planning and Zoning Committee may do one of the following:

1. Approve the Conditional Use Permit as requested.
2. Approve the Conditional Use Permit with Conditions.
3. Deny the Conditional Use Permit with reason.

*Section 59.69(5e) of Wis. Stats States that If an applicant for a conditional use permit meets or agrees to meet all of the requirements and conditions specified in the county ordinance or those imposed by the county zoning committee, the county shall grant the conditional use permit. The county's decision to approve or deny the permit must be supported by substantial evidence.*

**Definitions:** Wis Stats Section 59.69(5e)(a)(2) "Substantial evidence" means facts and information, other than merely personal preferences or speculation, directly pertaining to the requirements and conditions an applicant must meet to obtain a conditional use permit and that reasonable persons would accept in support of a conclusion.

Use of Adjoining, Neighboring Property and Other Details

Lodging, hiking, disc golf, farms + wood land, snowshoeing

The undersigned hereby applies to the Monroe County Zoning Committee for a determination that the above site is suitable for the purpose indicated, and that suitable safeguards are met, in accordance with the provisions and requirements of the Monroe County Zoning Ordinance. You are responsible for complying with state and federal laws concerning construction near or on wetlands, lakes, and streams. Wetlands that are not associated with open water can be difficult to identify. Failure to comply may result in removal or modification of construction that violates the law or other penalties or costs. For more information, visit the department of natural resources wetlands identification web page [www.dnr.wi.gov/wetlands/delineation.html](http://www.dnr.wi.gov/wetlands/delineation.html) or contact a department of natural resources service center.

## NOTICE OF FEE INCREASE

Notice is hereby given that the Monroe County Sanitation, Planning & Zoning and Dog Control Committee will be increasing the fees for a Sanitary Permit for the following system types:

In Ground, Mound, At-Grade and Experimental POWTS from \$450 to \$500:

Holding Tank from \$300 to \$450.

Treatment and/or Dose Tank Only from \$300 to \$375.

POWTS Treatment or Dispersal Modification from \$300 to \$350.

Reconnection-Full Evaluation from \$175 to \$350.

Reconnection-Set Back Only and 5 year or less from \$50 to \$175.

Non-Plumbing Sanitation System from \$50 to \$175.

Physical/Chemical Restoration from \$300 to \$350.

Fees for Plan Review will be increasing for the following system type:

In-Ground Component from \$175 to \$200.

Sanitation Facilities Application (soil test onsite) fee will increase from \$125 to \$150.

Sanitary Permit Renewal and Transfer fees will increase from \$20 to \$50.

Administrative Appeals fee will increase from \$50 to \$350.

These increases will be effective January 1, 2024.

Alison Elliott  
Monroe County Zoning Administrator

PLEASE PUBLISH: December 14, 2023

Please Bill the Monroe County Zoning Department.

ing law to any property owner directly injured by the vacation or relocation of such street or highway. The department is empowered to enter into agreement with the units of government having jurisdiction over a local highway relocated, altered or extended as a part of the freeway or expressway improvement with respect to maintenance thereof, and in the absence of mutual agreement to the contrary, such relocated, altered or extended highway shall be maintained by the unit of government having jurisdiction thereof before it was so relocated, altered or extended, except any parts thereof which the department determines to be useful in operation of or for access to the freeway or expressway, including structures over the freeway or expressway, which parts shall be maintained by the state, subject to s. 84.07 (1r), as a part of the freeway or expressway. The action by the department relative to vacation, relocation, extension or combining of a public highway under jurisdiction of any county, town, city or village shall be conclusive.

**(7) AUTHORITY TO RELOCATE AND CLOSE HIGHWAYS.** (a) Without limiting the authority extended by other provisions of this section the department may, on behalf of the state, enter into an agreement with the governing body of any county or municipality having jurisdiction over any highway and, as provided in such agreement, relocate or extend any such highway or close the same at or near the point of intersection with any freeway or expressway, or make provision for carrying such highway over or under the freeway or expressway, and may do any and all things on such highway as may be necessary to lay out, acquire rights-of-way for, and build the same.

(b) No highway of any kind shall be opened into or connected with a freeway or expressway by a municipality unless the department approves the same and fixes the terms and conditions on which such connections shall be made. The department may give or withhold its approval or fix such terms and conditions as it deems will best serve the public interest.

**(8) POWERS GRANTED LIBERALLY CONSTRUED.** The provisions of this section are not restricted by other provisions of the statutes, and all powers granted in this section shall be liberally construed in favor of the state in the furtherance of the expeditious and orderly construction of any freeway or expressway project and in the furtherance of the orderly operation of a freeway or expressway designated pursuant to this section.

**(9) ESTABLISHING FREEWAY STATUS.** After the adoption of an order by the department laying out and designating any portion of a state trunk highway as a freeway or expressway, the highway described in the order shall have the status of a freeway or expressway for all purposes of this section. Such orders shall not affect private property rights of access to preexisting public highways, and any property rights to be taken shall be acquired in the manner provided by law. No previously existing public highway shall be developed as a freeway or expressway without acquiring by donation, purchase or condemnation the right of access thereto of the owners of abutting land.

**(10) ESTABLISHING LOCATIONS AND RIGHT-OF-WAY WIDTHS FOR FUTURE FREEWAYS OR EXPRESSWAYS.** (a) Where, as the result of its investigations and studies, the department finds that there will be a need in the future for the development and construction of segments of a state trunk highway as a freeway or expressway, and where the department determines that in order to prevent conflicting costly economic development on areas of lands to be available as rights-of-way when needed for such future development, there is need to establish, and to inform the public of, the approximate location and widths of rights-of-way needed, it may proceed to establish such location and the approximate widths of rights-of-way in the following manner. It shall hold a public hearing in the matter in a courthouse or other convenient public place in or near the region to be affected by the proposed change, which public hearing shall be advertised and held as are state trunk highway change hearings. The department shall consider and evaluate the testimony presented at the public hearing. It may make a survey and prepare a map showing the location of the freeway or express-

way and the approximate widths of the rights-of-way needed for the freeway or expressway, including the right-of-way needed for traffic interchanges with other highways, grade separations, frontage roads and other incidental facilities and for the alteration or relocation of existing public highways to adjust traffic service to grade separation structures and interchange ramps. The map shall also show the existing highways and the property lines and record owners of lands needed. Upon approval of the map by the department, a notice of such action and the map showing the lands or interests therein needed in any county shall be recorded in the office of the register of deeds of such county. Notice of the action and of the recording shall be published as a class 1 notice, under ch. 985, in such county, and within 60 days after recording, notice of the recording shall be served by registered mail on the owners of record on the date of recording. With like approval, notice and publications, and notice to the affected record owners, the department may from time to time supplement or change the map.

(b) After such location is thus established, within the area of the rights-of-way as shown on the map or in such proximity thereto as to result in consequential damages when the right-of-way is acquired, no one shall erect or move in any additional structure, nor rebuild, alter or add to any existing structure, without first giving to the department by registered mail 60 days' notice of such contemplated construction, alteration or addition describing the same, provided that this prohibition and requirement shall not apply to any normal or emergency repairs or replacements which are necessary to maintain an existing structure or facility in approximately its previously existing functioning condition. When the right-of-way is acquired, no damages shall be allowed for any construction, alterations or additions in violation of this paragraph.

(c) Without limiting any authority otherwise existing, any of the rights-of-way needed may be acquired at any time by the state or by the county or municipality in which such freeway or expressway is located. If one owner's contiguous land is acquired to an extent which is less than the total thereof shown on the map as needed, consequential damages to the portion not acquired shall be allowed if found to exist.

History: 1971 c. 252; 1975 c. 425; 1977 c. 29 ss. 945, 1654 (3); (8) (a); 1983 a. 532 s. 36; 1993 a. 301, 490; 1999 a. 150 s. 672; 2013 a. 12, 20; 2015 a. 55.

**84.30 Regulation of outdoor advertising.** **(1) LEGISLATIVE FINDINGS AND PURPOSE.** To promote the safety, convenience and enjoyment of public travel, to preserve the natural beauty of Wisconsin, to aid in the free flow of interstate commerce, to protect the public investment in highways, and to conform to the expressed intent of congress to control the erection and maintenance of outdoor advertising signs, displays and devices adjacent to the national system of interstate and defense highways, it is hereby declared to be necessary in the public interest to control the erection and maintenance of billboards and other outdoor advertising devices adjacent to said system of interstate and federal-aid primary highways and the Great River Road.

**(2) DEFINITIONS.** In this section, unless the context otherwise requires:

(a) "Adjacent area" means an area which is adjacent to and within 660 feet of the nearest edge of the right-of-way of any interstate or primary highway or the Great River Road, which 660 feet distance shall be measured horizontally along a line normal or perpendicular to the center line of the highway.

(b) "Business area" means any part of an adjacent area which is zoned for business, industrial or commercial activities under the authority of the laws of this state; or not zoned, but which constitutes an unzoned commercial or industrial area as defined in par. (k). In adjacent areas along the interstate system business areas shall be limited to commercial or industrial zones within the boundaries of incorporated municipalities, as those boundaries existed on September 1, 1959, and all other areas where the land-use as of September 1, 1959, was clearly established by state law as industrial or commercial.

(c) “Center line of the highway” means a line equidistant from the edges of the median separating the main-traveled ways of a divided highway, or the center line of the main-traveled way of a nondivided highway.

(d) “Commercial or industrial activities” for purposes of unzoned industrial and commercial areas mean those activities generally recognized as commercial or industrial by local zoning authorities in this state, except that none of the following activities shall be considered commercial or industrial:

1. Outdoor advertising structures.
2. Agricultural, forestry, ranching, grazing, farming and similar activities, including, but not limited to wayside fresh produce stands.
3. Activities normally or regularly in operation less than 3 months of the year.
4. Transient or temporary activities.
5. Activities not visible from the main-traveled way.
6. Activities more than 660 feet from the nearest edge of the right-of-way.
7. Railroad tracks and minor sidings.
8. Areas which are predominantly used for residential purposes.

(e) “Erect” means to construct, build, raise, assemble, place, affix, attach, create, paint, draw, or in any other way bring into being or establish; but it does not include any of the foregoing activities when performed as an incident to the change of advertising message or customary maintenance of the sign structures.

(em) “Great River Road” means any highway officially designated as part of the Great River Road system by the department and approved by the appropriate authority of the federal government and any highway designated as part of the Great River Road under s. 84.107. Signs along the Great River Road shall be regulated as are signs along primary highways.

(f) “Interstate highway” means any highway at any time officially designated as a part of the national system of interstate and defense highways by the department and approved by the appropriate authority of the federal government.

(fm) “Landmark sign” means a sign of historic or artistic significance, the preservation of which is consistent with the purposes of this section, as determined by the department, including signs on farm structures or natural surfaces.

(g) “Maintain” means to allow to exist.

(h) “Main-traveled way” means the through traffic lanes exclusive of frontage roads, auxiliary lanes and ramps.

(hm) “Municipal welcome sign” means an official sign erected and maintained by a municipality that the municipality determines is necessary to inform motorists of the territorial boundaries of the municipality.

(i) “Primary highway” means any highway, other than an interstate highway, at any time officially designated as a part of the federal-aid primary system by the department and approved by the appropriate authority of the federal government.

(j) “Sign” means any outdoor advertising sign, display, device, notice, figure, painting, drawing, message, placard, poster, billboard, or other thing, which is designed, intended, or used to advertise or inform, any part of the advertising or informative contents of which is visible from any place on the main-traveled way of any portion of an interstate highway or primary highway.

(k) “Unzoned commercial or industrial areas” mean those areas which are not zoned by state or local law, regulation or ordinance, and on which there is located one or more permanent structures devoted to a commercial or industrial activity or on which a commercial or industrial activity is actually conducted whether or not a permanent structure is located thereon, and the area along the highway extending outward 800 feet from and beyond the edge of such activity. Each side of the highway will be considered separately in applying this definition. All measurements shall be from the outer edges of the regularly used buildings, parking lots,

storage or processing and landscaped areas of the commercial or industrial activities, not from the property lines of the activities, and shall be along or parallel to the edge or pavement of the highway.

(km) “Urban area” means any area which is an urbanized area or urban place, as determined by the department under 23 USC 101 (a) and regulations adopted thereunder and approved by the appropriate federal authority. Maps of urban area boundaries shall be available for inspection at offices of the department and copies of such maps shall be provided at cost to anyone requesting the same.

(L) “Zoned commercial or industrial areas” mean those areas which are zoned for business, industry, commerce or trade pursuant to a state or local zoning ordinance or regulation.

(2m) **CONDITIONAL USES AND SPECIAL EXCEPTIONS NOT CONSIDERED.** No uses of real property that are authorized by special zoning permission, including uses by conditional use, special exception, zoning variance or conditional permit, may be considered when determining whether the area is a business area.

(3) **SIGNS PROHIBITED.** No sign visible from the main-traveled way of any interstate or federal-aid highway may be erected or maintained, except the following:

(a) Directional and other official signs, including, but not limited to, municipal welcome signs and signs pertaining to natural wonders, scenic and historical attractions, which are required or authorized by law, and which comply with rules which shall be promulgated by the department relative to their lighting, size, number, spacing and such other requirements as are appropriate to implement this section, but such rules shall not be inconsistent with, nor more restrictive than, such national standards as may be promulgated from time to time by the secretary of transportation of the United States under 23 USC 131 (c).

(b) Signs advertising the sale or lease of property upon which they are located if such signs comply with rules of the department.

(c) Signs advertising activities conducted on the property on which they are located if such on-property signs comply with applicable federal law and the June 1961 agreement between the department and the federal highway administrator relative to control of advertising adjacent to interstate highways. No on-property sign may be erected in a location where it constitutes a traffic hazard. If the department issues permits for outdoor advertising signs, the department is not required to issue permits for on-property signs that conform to the requirements of this paragraph. On-property signs may be illuminated, subject to the following restrictions:

1. Signs that contain, include or are illuminated by any flashing, intermittent or moving light or lights are prohibited, except electronic signs permitted by rule of the department.

2. Signs that are not effectively shielded as to prevent beams or rays of light from being directed at any portion of the traveled ways of the interstate or federal-aid primary highway and that are of such intensity or brilliance as to cause glare or to impair the vision of the driver of any motor vehicle, or that otherwise interfere with any driver’s operation of a motor vehicle, are prohibited.

3. No sign may be so illuminated that it interferes with the effectiveness of or obscures an official traffic sign, device or signal.

(d) Signs located in business areas on March 18, 1972.

(e) Signs to be erected in business areas subsequent to March 18, 1972 which when erected will comply with sub. (4).

(f) Signs located in urban areas outside the adjacent area.

(g) Landmark signs lawfully in existence on October 22, 1965.

(h) Signs outside the adjacent area which are not erected with the purpose of their message being read from the main-traveled way of an interstate or primary highway.

(i) Signs on farm buildings which are utilized by owners of the building for agricultural purposes if the signs promote a Wisconsin agricultural product unless prohibited by federal law.

(j) 1. Signs erected by the Crime Stoppers, the nationwide organization affiliated with local police departments, on or before October 14, 1997, without regard to whether the department has issued a license for the sign. The department may not remove a sign authorized under this paragraph unless the sign does not conform to federal requirements. The requirements under s. 86.19 do not apply to signs described in this subdivision.

2. Notwithstanding subd. 1., whenever a sign authorized under this paragraph requires replacement due to damage or deterioration, the department shall require the sign to be licensed under sub. (10) and to meet all of the requirements of this section and s. 86.19.

(4) SIGN CRITERIA. The department shall effectively control or cause to be controlled, the erection and maintenance of outdoor advertising signs, displays and devices that are erected subsequent to March 18, 1972 in all business areas. Whenever a bona fide county or local zoning authority has made a determination of customary use, as to size, lighting and spacing such determination may be accepted in lieu of controls by agreement in the zoned commercial and industrial areas within the geographical jurisdiction of such authority. In all other business areas, the criteria set forth below shall apply:

(a) Size of signs shall be as follows:

1. The maximum areas for any one sign shall be 1,200 square feet with a maximum height of 30 feet and maximum length of 60 feet, inclusive of any border and trim but excluding the base or apron, supports and other structural members.

2. The areas shall be measured by the smallest square, rectangle, triangle, circle or combination thereof which will encompass the entire sign.

3. The maximum size limitations shall apply to each side of a sign structure and signs may be placed back-to-back, side-by-side, or in V-type construction with not more than 2 displays to each facing, and such sign structure shall be considered as one sign.

(b) Signs may be illuminated, subject to the following restrictions:

1. Signs which contain, include, or are illuminated by any flashing, intermittent, or moving light or lights are prohibited, except those specified in par. (bm) and those giving public service information such as time, date, temperature, weather, or similar information.

2. Signs which are not effectively shielded as to prevent beams or rays of light from being directed at any portion of the traveled ways of the interstate or federal-aid primary highway and which are of such intensity or brilliance as to cause glare or to impair the vision of the driver of any motor vehicle, or which otherwise interfere with any driver's operation of a motor vehicle are prohibited.

3. No sign shall be so illuminated that it interferes with the effectiveness of, or obscures an official traffic sign, device, or signal.

(bm) Signs may contain multiple or variable messages, including messages on louvers that are rotated and messages formed solely by use of lights or other electronic or digital displays, that may be changed by any electronic process, subject to all of the following restrictions:

1. Each change of message shall be accomplished in one second or less.

2. Each message shall remain in a fixed position for at least 6 seconds.

3. The use of traveling messages or segmented messages is prohibited.

4. The department, by rule, may prohibit or establish restrictions on the illumination of messages to a degree of brightness that is greater than necessary for adequate visibility.

(c) Spacing of signs shall be as follows:

1. On interstate and federal-aid primary highways signs may not be located in such a manner as to obscure, or otherwise physically interfere with the effectiveness of an official traffic sign, signal, or device, obstruct or physically interfere with the driver's view of approaching, merging, or intersecting traffic.

2. On interstate highways and freeways on the federal-aid primary system no 2 structures shall be spaced less than 500 feet apart. Outside of incorporated villages and cities, no structure may be located adjacent to or within 500 feet of an interchange, intersection at grade, or safety rest area. Said 500 feet shall be measured along the interstate or freeway from the beginning or ending of pavement widening at the exit from or entrance to the main-traveled way.

3. On nonfreeway federal-aid primary highways outside incorporated villages and cities, no 2 structures shall be spaced less than 300 feet apart. Within incorporated villages and cities, no 2 structures shall be spaced less than 100 feet apart.

4. The spacing between structures provisions in subds. 1., 2. and 3. do not apply to structures separated by buildings or other obstructions in such a manner that only one sign-facing located within the spacing distances in subds. 1., 2. and 3. is visible from the highway at any one time.

5. a. Official and on-premises signs, as defined in 23 USC 131 (c), and structures that are not lawfully maintained shall not be counted nor shall measurements be made from them for purposes of determining compliance with spacing requirements.

b. The minimum distances between structures shall be measured along the nearest edge of the pavement between points directly opposite the signs along each side of the highway and shall apply only to structures located on the same side of the highway.

(d) 1. Signs shall not be erected or maintained which imitate or resemble any official traffic sign, signal or device.

2. Signs shall not be erected or maintained upon trees, or painted or drawn upon rocks or other natural features, except landmark signs.

3. Signs shall not be erected or maintained which are structurally unsafe or in substantial disrepair.

(5) NONCONFORMING SIGNS. (a) Signs outside of business areas which are lawfully in existence on March 18, 1972 but which do not conform to the requirements herein are declared nonconforming and shall be removed by the end of the 5th year from said date.

(b) A sign lawfully erected after March 18, 1972 and which subsequently does not conform to this section shall be removed by the end of the 5th year after it becomes nonconforming.

(bm) Signs lawfully erected, but which do not conform to the requirements of sub. (3) (c), are declared nonconforming but are not subject to removal, except as otherwise provided in this paragraph. To allow such signs to exist, to perform customary maintenance thereon or to change the advertising message thereof, does not constitute a violation of sub. (3), but to enlarge, replace or relocate such signs, or to erect additional signs, shall constitute a violation subjecting the sign to removal without compensation, unless upon completion of such work all signs upon the property conform to the requirements of sub. (3).

(br) 1. In this paragraph:

a. "Copy" means the advertising or other information or images on a sign face created to communicate to the public.

b. "Copy change" means the process of substituting copy on a sign face, which may include removing a face and substituting another face or other processes such as painting on wood, metal, or vinyl, affixing printed paper or vinyl to the face, changing the message mechanically, or electronically changing the copy from a remote location.

c. "Customary maintenance" on a sign includes nailing, bolting, fastening, cleaning, and painting; replacing its components with equivalent or similar components; except as provided in this

subd. 1. c., replacing structural components, including upright supports; making copy changes; upgrading existing illumination for energy efficiency or worker safety; adding catwalks or handrails to address safety; installing an apron to a sign structure to display identification of the sign owner; or replacing the sign face. “Customary maintenance” does not include repairs that involve, within a period of 36 consecutive months, replacing more than 60 percent of the wooden upright supports of a sign or replacing more than 30 percent of the length above ground of each broken, bent, or twisted upright metal support of a sign.

d. “Destroyed,” with respect to a nonconforming sign, means that upright supports are physically damaged such that, within a period of 36 consecutive months, in the case of a sign structure with wooden upright supports, more than 60 percent of the supports are broken and, under normal repair practices, would need to be replaced or, in the case of a sign structure with metal upright supports, more than 30 percent of the length above ground of each broken, bent, or twisted support would, under normal repair practices, need to be replaced.

e. “Sign face” or “face” means the material components of a sign on which the advertising or other information is displayed including any trim, border, or molding.

f. “Substantial change,” with respect to a nonconforming sign, includes increasing the number of upright supports; changing the physical location; increasing the square footage or area of the sign face; adding changeable message capability; or adding illumination, either attached or unattached, to a sign that was previously not illuminated. “Substantial change” does not include customary maintenance.

g. “Substantially the same,” with respect to a nonconforming sign, means that no substantial change has been made to the sign since it became nonconforming.

2. Notwithstanding par. (a) or (b), signs described in sub. (3) (a), (d), (e), (f), or (h) that were lawfully erected but that no longer conform to applicable requirements are, upon notice by registered mail from the department to the sign owner, declared nonconforming but are not subject to removal, except as provided in subds. 4. and 5.

3. Subject to subd. 4., a sign described in subd. 2. shall remain substantially the same as it was on the date it became nonconforming. To allow a sign described in subd. 2. to exist, to perform customary maintenance on such a sign, or to change the advertising message on such a sign, does not constitute a violation of sub. (3) or (4).

4. Except as provided in this subdivision, to make a substantial change to a sign described in subd. 2. or to erect additional signs shall constitute a violation of subs. (3) and (4). In determining whether a change to a sign constitutes a violation of sub. (3) or (4), the department may not consider any changes to that sign that no longer exist. If the department determines that a change to a sign constitutes a violation of sub. (3) or (4), the department shall notify by registered mail the sign owner and the owner of the property upon which the sign is located of the alleged violation. If the alleged violation is remedied within 60 days of receipt of the notice under this subdivision, the activity does not constitute a violation of sub. (3) or (4).

5. a. Except as provided in subd. 5. b., and notwithstanding subd. 3., a sign described in subd. 2. that is destroyed is subject to removal without compensation.

b. Notwithstanding subds. 3. and 4., if a nonconforming sign is damaged or destroyed by a criminal or tortious act, the sign may be repaired or replaced. If the sign is replaced, the replacement sign may not incorporate any elements that constitute a substantial change from the sign that was damaged or destroyed. The repair or replacement of a sign under this subdivision is not limited to activities constituting customary maintenance.

6. A sign described in sub. (3) (a) that is declared nonconforming as provided in subd. 2. may not be converted to any sign described in sub. (3) (d), (e), (f), or (h).

(c) Should any commercial or industrial activity, which has been used in defining or delineating an unzoned area, cease to operate, the unzoned area shall be redefined or redelineated based on the remaining activities. Any signs located within the former unzoned area but located outside the unzoned area, based on its new dimensions, shall become nonconforming.

(d) The department shall give highest priority to the removal or relocation of signs advertising products of general availability in commercial channels when such signs fail to conform under this subsection.

**(5m) MARS CHEESE CASTLE SIGNS IN KENOSHA COUNTY.** Notwithstanding any other provision of law and any local ordinance or other restrictions on signs, the Mars Cheese Castle business in Kenosha County may relocate its on-premises signs located near the intersection of I 94 and STH 142 in Kenosha County and maintain such signs at their new location.

**(5r) SIGNS NONCONFORMING UNDER LOCAL ORDINANCES THAT ARE REALIGNED BECAUSE OF STATE HIGHWAY PROJECTS.** (a) In this subsection, “realignment” means relocation on the same site.

(b) If a highway project of the department causes the realignment of a sign that does not conform to a local ordinance, the realignment shall not affect the sign’s nonconforming status under the ordinance.

(c) If in connection with a highway project of the department the department proposes the realignment of a sign that does not conform to a local ordinance, the department shall notify the governing body of the municipality or county where the sign is located and which adopted the ordinance of the sign’s proposed realignment. Upon receiving this notice, the governing body may petition the department to acquire the sign and any real property interest of the sign owner. If the department succeeds in condemning the sign, the governing body that made the petition to the department shall pay to the department an amount equal to the condemnation award, less relocation costs for the sign that would have been paid by the department if the sign had been realigned rather than condemned. Notwithstanding s. 86.30 (2) (a) 1. and (b) 1., 1g., and 1r., if the governing body fails to pay this amount, the department may reduce the municipality’s or county’s general transportation aid payment under s. 86.30 by an equal amount.

(d) This subsection does not permit the alteration or movement of a sign that is nonconforming under this section.

**(6) JUST COMPENSATION.** The department shall pay just compensation upon the removal or relocation on or after March 18, 1972, of any of the following signs which are not then in conformity with this section, regardless of whether the sign was removed because of this section:

(a) Signs lawfully in existence on March 18, 1972.

(b) Signs lawfully in existence on land adjoining any highway made an interstate or primary highway after March 18, 1972.

(c) Signs lawfully erected on or after March 18, 1972.

**(7) MEASURE.** The just compensation required by sub. (6) shall be paid for the following:

(a) The taking from the owner of such sign, all right, title and interest in and to the sign and the owner’s leasehold relating thereto, including severance damages to the remaining signs which have a unity of use and ownership with the sign taken, shall be included in the amounts paid to the respective owner, excluding any damage to factories involved in manufacturing, erection, maintenance or servicing of any outdoor advertising signs or displays.

(b) The taking of the right to erect and maintain such signs thereon from the owner of the real property on which the sign is located.

**(8) AGREED PRICE.** Compensation required under subs. (6) and (7) shall be paid to the person entitled thereto. If the department and the owner reach agreement on the amount of compensation payable to such owner in respect to any removal or relocation, the department may pay such compensation to the owner and thereby require or terminate the owner’s rights or interests by purchase.

If the department and the owner do not reach agreement as to such amount of compensation, the department or owner may institute an action to have such compensation determined under s. 32.05.

(9) **SIGN INFORMATION.** On and after March 18, 1972 all signs, or structures on which there are displays, shall have stated thereon the names and addresses of the owner thereof, and the date of its erection; but if the address of the owner is on file with the department it need not be stated thereon.

(10) **LICENSE REQUIREMENT.** (a) On or after January 1, 1972, no person shall engage or continue to engage in the business of outdoor advertising in areas subject to this section without first obtaining a license therefor from the department. The fee for the issuance of a license or for the renewal thereof shall be \$250 payable in advance. Each license shall remain in force until the next succeeding December 31 and may be renewed annually.

(b) Application for license or a renewal thereof shall be made on forms to be furnished by the department, shall contain such information as the department requires and shall be verified under oath by the applicant or an authorized officer or agent. Renewal applications shall be filed on or before the December 1 preceding the expiration date. Upon receipt of an application containing all required information, in due form and properly executed, together with any bond required by par. (c) and upon payment of the required license fee, the department shall issue a license to the applicant or renew the existing license.

(c) No license to engage or continue to engage in the business of outdoor advertising shall be granted to any applicant who does not reside in this state or, in the case of a foreign corporation or foreign limited liability company not authorized to do business in this state until such applicant files with the department a bond payable to the state and with a surety approved by the attorney general, in the sum of \$5,000 conditioned upon the licensee observing and fulfilling all applicable provisions of this section. Upon default thereof the department may enforce the collection of such bond in any court of competent jurisdiction. The bond shall remain in effect so long as any obligation of such licensee to the state remains unsatisfied.

(d) The department may, after a hearing with 30 days' prior written notice to the licensee, revoke the license if the department finds that the licensee has knowingly made false statements in the application or is violating this section. Such revocation shall not become effective if within 30 days after written notice of the findings has been given to the licensee, he or she corrects such false statement or terminates any such violation.

(10m) **ANNUAL PERMIT FEE REQUIREMENT.** The department may promulgate a rule requiring persons specified in the rule to pay annual permit fees for signs. The rule shall specify that no permit fee may be charged for an off-premises advertising sign that is owned by a nonprofit organization. If the department establishes an annual permit fee under this subsection, failure to pay the fee within 2 months after the date on which payment is due is evidence that the sign has been abandoned for the purposes of s. Trans 201.10 (2) (f), Wis. Adm. Code.

(11) **DEPARTMENT REMOVAL.** Any sign erected in an adjacent area after March 18, 1972, in violation of this section or the rules promulgated under this section, may be removed by the department upon 60 days' prior notice by registered mail to the owner thereof and to the owner of the land on which said sign is located, unless such sign is brought into conformance within said 60 days. No notice shall be required to be given to the owner of a sign whose name is not stated on the sign or on the structure on which it is displayed, or whose address is not stated thereon or is not on file with the department.

(12) **FEDERAL COMPLIANCE.** The department on behalf of the state is authorized and directed to seek agreement with the secretary of transportation of the United States acting under the provisions of 23 USC 131, as amended, that the provisions of this section are in conformance with that federal law and provide effective control of outdoor advertising signs as set forth therein.

(13) **FEDERAL FUNDS.** The department may accept any allotment of funds by the United States, or any agency thereof, appropriated to carry out the purposes of 23 USC 131, as amended, from time to time. The department shall take such steps as are necessary from time to time to obtain from the United States, or the appropriate agency thereof, funds allotted and appropriated, under 23 USC 131 for the purposes of paying the federal government's 75 percent of the just compensation to be paid to sign owners and owners of real property under 23 USC 131 (g) and this section.

(14) **DEPARTMENT RULES.** The department may promulgate rules deemed necessary to implement and enforce this section. The department shall promulgate rules to restrict the erection and maintenance of signs as to their lighting, size, number and spacing when such signs are visible from the highway but outside the adjacent area. The department shall by rule establish a priority system for the removal or relocation of all signs not specified in sub. (5) (d) which fail to conform to the requirements of sub. (5).

(15) **FUNDS REQUIRED.** Despite any contrary provision in this section no sign shall be required to be removed unless at the time of removal there are sufficient funds, from whatever source, appropriated and immediately made available to the department with which to pay the just compensation required and unless at such time the federal funds, required to be contributed to this state under 23 USC 131 have been appropriated and are immediately available to the state for the payment of compensation which is eligible for federal participation.

(16) **SEVERABILITY.** If any provision or clause of this section or application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the section which can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable. If any portion of this section is found not to comply with federal law and federal billboard removal compensation that portion shall be void without affecting the validity of other provisions of the section.

(17) **TRANSPORTATION FUND.** All fees collected for the issuance of permits provided for under this section shall be paid into the transportation fund.

(18) **HEARINGS; TRANSCRIPTS.** Hearings concerning sign removal notices under sub. (11) or the denial or revocation of a sign permit or license shall be conducted before the division of hearings and appeals as are hearings in contested cases under ch. 227. The decision of the division of hearings and appeals is subject to judicial review under ch. 227. Any person requesting a transcript of the proceedings from the division of hearings and appeals shall pay the amount established by the division of hearings and appeals by rule for the transcript.

**History:** 1971 c. 197; 1975 c. 196, 340, 418; 1977 c. 29 ss. 946, 1654 (1), (8) (a); 1977 c. 43, 273; 1977 c. 418 s. 924 (48); 1979 c. 90 s. 24; 1979 c. 154, 253; 1981 c. 347; 1983 a. 92, 189, 463; 1989 a. 56; 1991 a. 316; 1993 a. 16, 112, 357; 1997 a. 27; 1999 a. 9, 185; 2001 a. 109; 2005 a. 149, 464; 2007 a. 20; 2011 a. 32; 2017 a. 232, 320.

**Legislative Council Note, 1979:** [As to sub. (5) (bm)] Chapter 196, laws of 1975, outlined standards for outdoor advertising signs. Section 2 of chapter 196, laws of 1975, pertaining to existing signs which did not conform to the standards, was not incorporated into the statutes. This act incorporates section 2 of chapter 196, laws of 1975, into the statutes. [Bill 458-A]

**Cross-reference:** See also ch. Trans 201, Wis. adm. code.

This section is the exclusive remedy for determining just compensation for signs meeting the criteria of sub. (6). Compensation includes the value of the sign structure, leasehold value, and location, but it does not include attorney fees. *Vivid, Inc. v. Fiedler*, 219 Wis. 2d 764, 580 N.W.2d 644 (1998), 96-1900.

This section did not prevent the leaseholder of a sign subject to an administrative order for removal due to discontinuance of a legal nonconforming use from pursuing judicial review of the administrative review of the order under s. 227.52. *Eller Media, Inc. v. Division of Hearings & Appeals*, 2001 WI App 269, 249 Wis. 2d 198, 637 N.W.2d 96, 00-3497.

Sub. (3) (a) provides two separate conditions. A sign must: 1) be required or authorized by law; and 2) comply with rules promulgated by the Department of Transportation that are no more restrictive than national standards. The "no more restrictive" language does not apply to the "required or authorized by law" condition. "Authorized by law" is a reference to whether a sign is authorized by a law other than this section and rules promulgated thereunder. Because there is no limitation on the source of other law, there is no reason why other law may not be a local zoning ordinance. *Donaldson v. Town of Spring Valley*, 2008 WI App 61, 311 Wis. 2d 223, 750 N.W.2d 506, 07-1418.

The administrative and judicial review provided in sub. (18) is the exclusive procedure for challenging the legality of a sign after issuance of a removal order, even when the Department of Transportation has removed the sign. A determination under sub. (18) that a sign is legal is a necessary predicate to just compensation for the sign. The entire statutory scheme provides for a determination on the legality of a sign under sub. (18) and, if the ultimate determination is that the sign is legal, there is a procedure in subs. (7) and (8) for obtaining just compensation. This scheme adequately provides the means both to challenge a removal order on the ground a sign is legal and to obtain just compensation if that challenge succeeds. *Lamar Central Outdoor, LLC v. DOT*, 2008 WI App 187, 315 Wis. 2d 190, 762 N.W.2d 745, 08–0439.

The phrase “brought into conformance” in sub. (11) could mean that a billboard must conform to the laws either: 1) as they applied to the circumstances when the permit issued; or 2) as they apply to current circumstances. Because the statute is ambiguous, the Department of Transportation is required to promulgate a new interpretation of the statute as a rule under s. 227.10. *Lamar Central Outdoor, LLC v. Division of Hearings & Appeals*, 2019 WI 109, 389 Wis. 2d 486, 936 N.W.2d 573, 17–1823.

Persons in the business of erecting on-premise signs are subject to the licensing requirement of sub. (10) (a). 66 Atty. Gen. 295.

Outdoor Sign Regulation in Eden and Wisconsin. Larsen, 1972 WLR 153.

#### 84.305 Vegetation obstructing view of outdoor advertising signs. (1) In this section:

(am) “Invasive species” has the meaning given in s. 23.22 (1) (c) and, in addition, means species not indigenous to Wisconsin including hybrids, cultivars, subspecific taxa, and genetically modified variants whose introduction causes or is likely to cause economic or environmental harm or harm to human health, and also includes individual specimens, seeds, propagules, and any other viable life-stages of such species.

(b) “Main-traveled way” has the meaning given in s. 84.30 (2) (h).

(e) “Sign” has the meaning given in s. 84.30 (2) (j), but also includes any sign that is attached to a building or similar structure, that is within 100 feet of a highway right-of-way, and that advertises activities conducted on the property on which it is located.

(h) “Vegetation” means any tree, shrub, hedge, woody plant, or grass.

(i) “Viewing zone” means, with respect to a sign, the area commencing at the point on the main-traveled way of the highway nearest the sign for the direction of travel for which the sign face is oriented and extending, in a direction opposite of the direction of travel of the main-traveled way from which the sign face is visible and intended to be viewed, in a line along the highway pavement edge for a distance of 1,000 feet.

(2) Notwithstanding ss. 66.1037 and 86.03, and subject to sub. (2m), upon application, the department shall issue permits to sign owners for the trimming or removal of vegetation that is located in the right-of-way of a highway under the jurisdiction of the department for maintenance purposes and that obstructs a sign if, within a distance of 500 continuous feet along any portion of the viewing zone, any portion of the face of the sign is not viewable because of an obstruction to sight by vegetation in the highway right-of-way.

(2m) (a) The department may not issue a permit under this section authorizing the trimming or removal of vegetation obstructing the view of a sign if the department first collected a permit fee under s. 84.30 (10m) for that sign within the immediately preceding 5 years. This paragraph does not apply with respect to a sign that is attached to a building or similar structure, that is within 100 feet of a highway right-of-way, and that advertises activities conducted on the property on which it is located.

(b) The department may impose on a permit under this section any condition or restriction determined to be necessary or suitable by the department if the permit application seeks authorization for the trimming or removal of vegetation at or with respect to any of the following:

1. An archaeological site or site of a federally recognized American Indian tribe or band.
2. A location that is part of a known habitat of endangered species or threatened species under s. 29.604.
3. Vegetation that serves as a junkyard screen, as described in s. 84.31.

(c) The department may deny an application under this section for a permit for a sign for which the department has issued a removal order and the removal order was received by the sign owner prior to the department’s receipt of the application.

(3) (a) Subject to pars. (d) to (i) and subs. (2m) (b), (4), and (6), a permit issued under this section authorizes the permittee to trim or remove obstructing vegetation to the extent necessary to eliminate the obstruction and provide an unobstructed view of a sign for 500 continuous feet within the viewing zone. A permit issued under this section shall specify the vegetation or the portion of the highway right-of-way to which the permit applies.

(b) An application for a permit under this section shall specifically describe the work proposed by the applicant. The department shall grant or deny an application for a permit under this section, and notify the applicant of the department’s decision, within 60 days of receipt of the application. If the department denies an application for a permit under this section, the department shall notify the applicant of reasons for the denial.

(d) A permit issued under this section may not authorize trimming or removal of vegetation located within a municipality and within 10 feet of the nearest edge of the highway pavement without prior approval for the trimming or removal from the municipality.

(g) A permit issued under this section may not authorize the permittee to clear-cut any highway right-of-way. The permit authorizes the permittee to trim or remove only the vegetation specified in the permit, or only vegetation within the area of the right-of-way specified in the permit, in accordance with the terms of the permit. All trimming of vegetation authorized under a permit shall be performed in compliance with applicable standards of the American National Standards Institute, but if the trimming cannot be accomplished in compliance with these standards, the vegetation may be removed as provided in sub. (5).

(h) All trimming and removal of vegetation under a permit issued under sub. (2) shall be conducted within the hours of the day and days of the week specified by the department in the permit.

(i) A permit issued under this section may not authorize the permittee to trim or remove vegetation in the median of a divided highway.

(4) Each permit issued under this section shall authorize the permittee to employ 3rd-party contractors, including any arborist or landscape contractor, to perform work authorized under the permit. Each permit issued under this section shall require the permittee to retain a certified arborist for the purposes specified in sub. (5) (d). A permittee shall be responsible for any such work performed by a contractor on behalf of the permittee that is not authorized by the permit as if the work were performed directly by the permittee.

(5) (a) Each permit issued under this section shall require a permittee that removes any tree with a diameter of 2 inches or more as measured at breast height to compensate the department for all such trees removed, in compliance with the requirements under pars. (d) and (f).

(ag) Each permit issued under this section shall require a permittee that removes vegetation to also remove the vegetation’s stump, to grade level, and to dispose of all vegetation removed, including the stump, at a location away from the highway right-of-way.

(d) 1. For each permit issued under sub. (2), a certified arborist retained by the permittee shall determine the number of trees with a diameter of 2 inches or more, as measured at breast height, that are to be removed.

3. In calculating the total number of trees under subd. 1., a certified arborist shall not include any vegetation that was dead, diseased, or determined to be an invasive species at the time of its removal.

Monroe County Sign regulations were amended in 2018 in response to Case law: Reed vs. Town of Gilbert 135 S. Ct. 2218 (2015) US Supreme Court Decision which ruled that signs cannot be regulated based on content.

**Other mentions of sign regulation in state Stats:**

**NOTE: 2003 Wis. Act 214, which affected this section (59.69), contains extensive explanatory notes.** A county has the authority under both subs. (1) and (4) and s. 59.70 (22) to enact ordinances regulating billboards and other similar structures. When a town approves a county zoning ordinance under sub. (5) (c) that includes a billboard ordinance, the town's billboard ordinance adopted under s. 60.23 (29) does not preempt a county's authority to regulate billboards in that town. Adams Outdoor Advertising, L.P. v. County of Dane, 2012 WI App 28, 340 Wis. 2d 175, 811 N.W.2d 421, 10-0178.

**Wis Stats. 59.70(22) BILLBOARD REGULATION.** The board may regulate, by ordinance, the maintenance and construction of billboards and other similar structures on premises abutting on highways maintained by the county so as to promote the safety of public travel thereon. Such ordinances shall not apply within cities, villages and towns which have enacted ordinances regulating the same subject matter.

# Reed v. Town of Gilbert

## -continued-

So, what can be regulated – A concurring opinion written by Justice Alit and joined by Justices Kennedy and Sotomayor, included a non-comprehensive list of rules that would not be considered content-based

- Rules regulating the *size* of signs
- Rules regulating the *locations* in which signs may be placed
- Rules distinguishing between *free-standing signs* and those *attached to buildings*
- Rules distinguishing between *lighted* and *unlighted signs*
- Rules distinguishing between signs with *fixed messages* and *messages that change*
- Rules that distinguish between the *placement of signs on private and public property*
- Rules distinguishing between the *placement of signs on commercial and residential property*
- Rules distinguishing between *on-premises* and *off-premises signs*
- Rules restricting the total *number of signs allowed* per mile of roadway
- Rules imposing *time restrictions* on signs advertising a one-time event
