### RESOLUTION NO.

# RESOLUTION TO AMEND MONROE COUNTY ORDINANCE CHAPTER 14, FINANCE AND TAXATION, ARTICLE IV, SEC. 14-126.

**WHEREAS**, Monroe County Code of Ordinances Article IV, Sec. 14-126. - Proof of vehicle insurance coverage required provides that:

- (a) All persons receiving mileage reimbursement from the county shall file with the finance department a copy of their current vehicle insurance coverage declaration page setting forth the amounts and kinds of coverage, in addition to the period of coverage, such coverage to be a minimum liability coverage of \$100,000.00 per person/\$300,000.00 per accident/\$50,000.00 property, and \$1,000.00 medical coverage if passengers are transported.
- (b) Any person submitting a claim for mileage shall be denied reimbursement until such time as proof of vehicle insurance coverage, as stated in subsection (a) of this section, is filed with the finance department.

WHEREAS, the Monroe County Policy Manual provides:

#### 4.54 TRAVEL.

- (1) Employees shall receive the current mileage rate in effect in the County when required to use personal cars while conducting County business. If the travel begins or ends at the employee's home, travel time and mileage shall be calculated from the work site or home, whichever is less.
- (2) Employees who use their own car during the normal work day while conducting County business are responsible for showing proof of automobile liability insurance coverage consistent with the coverage outlined by Wisconsin Statutes. Appropriate forms are available from the Finance Department and shall be filed with that office upon completion.

**NOW, THEREFORE, BE IT RESOLVED** that the Monroe County Board of Supervisors ordains amendment of Chapter 14, Article IV, and Sec.14-126 of the Monroe County Code to read as follows:

Sec. 14-126. - Proof of vehicle insurance coverage required for reimbursement.

(a) All persons receiving mileage reimbursement from the county shall file with the finance department a copy of their current vehicle insurance coverage declaration page setting forth the amounts and kinds of coverage, in addition to the period of coverage, such coverage to be a minimum liability coverage of \$100,000.00 per person/\$300,000.00 per accident/\$50,000.00 property, and \$1,000.00 medical coverage.

- (b) Any person submitting a claim for mileage shall be denied reimbursement until such time as proof of vehicle insurance coverage, as stated in subsection (a) of this section, is filed with the finance department.
- (c) Any mileage not related to county business shall be considered personal mileage and, therefore, non-reimbursable by the county. Mileage incurred from the office to home, or home to office, shall be considered personal mileage except if traveling to a location for county business, mileage shall be calculated either from the employee's home or from the employee's county office using whichever location is closer to the destination.
- (d) Any person using their personal vehicle for any County related business shall be required to provide current proof of insurance for their personal vehicle to the finance department as referenced above in this ordinance. It is further the responsibility of any person using their personal vehicle for County business to keep the finance department advised of any change in insurance coverage.

Dated this 25th day of October, 2023.

Offered By The Administration & Personnel Committee:

Fiscal note: The indirect costs of amending county ordinances. This would include publication and ordinance update costs.

Statement of purpose: To update the mileage reimbursement language and to incorporate the personnel policy into the Monroe County Code.
