ROMPORTL #21604260000

SECTION 25, T16N, R4W

TOWN OF LEON

MONROE COUNTY WISCONSIN.

THE MONROE COUNTY COORDINATE SYSTEM NAD 83(2011)

U.S. PUBLIC LAND SURVEY MONUMENT RECORD

HISTORY OF CORNER ESTABLISHMENT SINCE THE ORIGINAL GOVERNMENT SURVEY SEE PREVIOUS TIE SHEET.

DESCRIPTION OF CORNER EVIDENCE FOUND

I FOUND DECHANT'S 2" IRON PIPE LYING FLAT ON THE GROUND. THE TIES WERE UNRECOVERABLE EXCEPT THE RAILROAD BOLT IN THE CENTERLINE OF CTH X. I RESET THE 2"x40" ± IRON PIPE USING THE RAILROAD BOLT AND THE THE RECORDED DISTANCE FROM THE W 1/4 OF SECTION 25. THIS CORNER IS NOT EASILY ACCESSIBLE DUE TO IT FALLING IN A SWAMP. THERE ARE NO SOLID PLACES TO PLACE TIES SO THEY WERE SET OUT OF THE SWAMP.

Reg. Land Surveyor, S-1744	

History of corner establishment since Original Government Survey
Henry Schroeder set an iron pipe here in 1915.

Description of corner evidence found:

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

I could not find Schroeder's iron pipe, it may have been destroyed when the power line came through or when the ditch was dug. Reestablished this corner on line and at a doubled distance between the NW and W% corners of Section 25. This location fits the remains of and east-west fence line extremely well.
