History of corner establishment since Original Government Survey

Fred Holden may have been here in 1908.

Description of corner evidence found:

Found what is believed to be the rotted remains of an Original Bearing Tree, Br. Oak 10", N75E, 51 lks. Set corner from bearing tree, fits fence corner extremely well as well as other field evidence in the section. Distance to the "run" to the east is 12 feet shorter than the original notes, but evidence shows that the "run" has moved and probably deeper.
