## CERTIFIED LAND CORNER

History of corner establishment since Original Government Survey

No known recorded history.

Description of corner evidence found:

Accepted stone pile in North-South fence as the corner. Also found some pieces of wire to the east that lined up with the stone pile. This fits section corners to the south and to the west very well.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
