

Monroe County Community Service Work (CSW) Program Authorized Sites

OVERVIEW

1. Any work performed at these sites must be unpaid and credited strictly for your CSW.
2. You are responsible for providing proof of your work to Justice Programs at least 2 weeks before your hours are due. You must include contact information for the Supervisor at your CSW site so your work can be verified.
3. This is only a list of potential sites to perform CSW. There is no guarantee that they will have CSW work available. You may have to work at multiple sites in order to obtain your required number of CSW hours.
4. If you perform CSW at a location that is not on this list, you must get approval from the CSW Coordinator **PRIOR** to starting your hours to ensure that it is an acceptable CSW site.
5. Your work performance matters! If you get terminated or perform poorly, you may not get credit for your hours.
