**Services Requested (check one)**

**Full Services**

Child Support Services

Check this box if you would like full **case management services**, which include locating an absent parent, establishing court orders, establishing paternity, and enforcement of child support orders. For more information, please see <https://dcf.wisconsin.gov/cs/overview>. While a custody and placement order may be established as a part of your case, that service is not directly provided by the child support agency. Child support services also do not include enforcement of maintenance-only (alimony) orders.

**Limited Services**

Paternity Only (legal fatherhood)

Check this box if you would only like services to locate a potential father (if applicable), establish paternity and update the child's WI birth record with the legal father's name. This type of case will be closed upon establishment of paternity. **Paternity-only services do not include custody and placement.** If you decide you would like additional services at a later date (e.g. establishment and enforcement of an order), you will need to submit a new application at that time. If you or the other parent are receiving public assistance, the child support agency (CSA) may still open a full-service case involving custody, placement, child support, and/or other orders as appropriate. Additionally, if the other parent requests full services, the case will automatically receive full services.

Only Locate (a parent) – **\$25 fee due**

Check this box if you only want help locating the other parent, and don't want other case management services. Location is not guaranteed. See Applications for Parent Locate-Only Services at <https://dcf.wisconsin.gov/cs/apply> for more information.

**Fee:** If you have **never** received a cash benefit from W-2, AFDC, SSI Caretaker Supplement, or Kinship Care, you will be charged a \$35 fee each year you receive \$550 or more in support. The fee will be taken out of the support payment. This fee is charged on all cases whether or not you apply for services.

More information on fees associated with the child support program can be found here:  
<https://dcf.wisconsin.gov/cs/fees>.

**Tax Intercept Information:** I understand that the Wisconsin Child Support Program will submit any certifiable past-due child support debts to the tax/lottery intercept programs.

I understand that if I receive the other parent’s intercepted tax refund money, which is later recalled by the federal Internal Revenue Service (IRS) or the state Department of Revenue (DOR), I must immediately return the money. Tax returns may be recalled for various reasons, including payor error on the tax return or fraudulent filers using a payor’s identification in an attempt to collect a refund. If I cannot repay all the money at once, I will follow a payment plan until the amount is repaid in full. (If the tax refund money is recalled, you will receive a letter with information about how to return the money and how to set up a payment plan.)

If a tax intercept collection is at least \$10, I understand that a fee of 10%, up to \$25, will be deducted from the tax intercept collection.

**Child Support Orders:** I understand that a child support order where support is ordered as a percentage of the payor’s income rather than a dollar amount cannot be enforced by the local child support agency.

If I am opening a new child support case or reopening a closed child support case with the child support agency and have a percentage order, I understand that the child support agency is not responsible for reconciling the order for the period before the date that this application is accepted.

The child support agency is required to change the percentage order into a dollar amount order. By submitting this application, I am agreeing to cooperate with the agency in changing the order.

**Disclaimer:** The State of Wisconsin will bring any necessary administrative or court actions to establish paternity (legal fatherhood), and to establish and enforce a support order. I understand that the **child support attorney does not represent me or the other parent**, but represents the state’s interest in the case.

Information about rights and responsibilities of parents who receive child support services may be found at:  
<https://dcf.wisconsin.gov/cs/parent-rights>.

**Overpayment:** I understand that if I receive an overpayment (more support than I am due), the state may withhold part of future support payments, at a reasonable amount, until the overpaid amount is returned to the state.

More information about how child support payments are distributed can be found here:  
<https://dcf.wisconsin.gov/cs/ncp/pay/hierarchy>

I hereby request child support services under Title IV-D of the Social Security Act. I have received information that describes IV-D services available rights and responsibilities, and fees/costs. I have reviewed the information contained at the above links and understand that I must cooperate with the child support agency by providing all requested information and by keeping my appointments with the agency or required by the court.
