

# MONROE COUNTY

## CWD TASK FORCE

June 7, 2018

To whom it may concern,

The Monroe County - Chronic Wasting Disease (CWD) Task Force has developed 12 recommendations that were approved for inclusion into the Monroe County Deer Advisory Council meeting minutes on 4/17/18.

The CWD Task Force mission, is being pro-active with CWD in Monroe County. The positive detections in the adjoining counties show CWD is looming on our borders and only a matter of time before we are dealing with positive results in Monroe County

Attached you will find the 12 CWD recommendations that were developed by the CWD Task Force, which is currently developing an action plan to follow for Monroe County. We also approve and promote any state efforts that would control/slow the spread of CWD and assist with facilitating any measures in Monroe County to meet our 12 objectives.

Sincerely,

Bob Micheel  
Monroe County Land Conservation Dept. – Director

Chad Zeigler  
Monroe County Forestry & Parks – Director

Wayne Edgerton  
Monroe County QDM member/Landowner
