

March 31st 1887

At the request of C M Moore J L Hines and others
I surveyed the west half of ~~Section~~ Section No 28 Town 15
North R 1 one west of fourth principal Meridian the south
west corner of said section being a lost corner I established
the same at proportional distances between known corners
according to the original field notes of the Government survey
the following are the field notes of said corner

| | | | | |
|-----|----|---------|----|-----|
| R O | 18 | S 41° W | 38 | lks |
| " | " | S 22° E | 61 | " |
| " | " | N 85° E | 31 | " |

Variation of Magnetic Needle 6° East -

Witness my hand this 9th day of April A D 1887
