NOTICE OF APPEAL

To The Honorable O. W. Sprecher, County Judge, Monroe County,  
Wisconsin.

I, Leo Schaub, of the Town of Jefferson, Monroe County, Wisconsin, considering myself aggrieved by the Order refusing to lay out a highway in said town, do hereby appeal from the Order of the Town Board, refusing to lay out such highway and appeal to you for the appointment of Commissioners to review such order. Said petition was filed pursuant to Section 80.13 R. S. of Wisconsin showing that the appellant was the owner of the lands described in said petition and that the same was shut off from all public highways by being surrounded by lands belonging to other persons except that he was the owner of a private road leading from his land to a public highway; that the applicant sought, pursuant to such statute, the laying of a highway or adding to the width of the present private road, sufficient lands to give this applicant access to his lands.

That the said applicant is the owner of the following described lands: Southwest Quarter of the Northeast Quarter; the Northeast Quarter of the Northeast Quarter; and the West Half of the Southeast Quarter, all in Section 24, said Township of Jefferson, Monroe County, Wisconsin; and that the following persons own the lands through which said private road passes between the public highway and the lands of this applicant, to-wit: Joseph Sperk, who is the owner of the Northwest Quarter of the Northwest Quarter of Section 24, and Richard Kuderer, who is the owner of the Northeast Quarter of the Northwest Quarter of Section 24, and the South One-half of the Northwest Quarter of said Section 24, Township of Jefferson, Monroe County, Wisconsin.

That the said Town Board on the 17th day of July, 1946, refused to make an Order to lay out said highway or to add to the width of the present private right-of-way of the applicant, as sought in said petition.

The grounds upon which said appeal is made, are, as follows: that the said applicant is without access to a public highway, except the private way heretofore referred; that the same is too narrow to afford him reasonable access from his lands to the said highway; that the same is impassable through many seasons of the year and that the Town Board arbitrarily refused because of a custom heretofore established in said town and that the said applicant is unable to travel the same during many seasons of the year and this appeal is brought to reverse entirely the order of the said Town Board, to-wit: in their refusal to lay out a highway from public highway to the lands of the applicant or to the private way he now has.

We did on the 6th day of July, 1950, make out and sign a Notice that we would meet at the Frank Miller farm in said section 21, township of Jefferson, Monroe County, Wisconsin, at the hour of two o'clock in the afternoon on the 20th day of July, 1950, to hear said matter and did meet at the time and place fixed by said notice therefor. AWARD OF DAMAGES ON LAYING OUT HIGHWAY  
TO ENCLOSED LAND

The undersigned, Supervisors of the town of Jefferson, County of Monroe, State of Wisconsin, having by order dated this 20th day of July, 1950, laid out a public highway to the lands of Frank Miller, within said town and which highway is described, as follows:

Commencing at a point 25 feet West of the Northeast corner of the Southeast Quarter of the Northeast Quarter of Section 20, township 15 North, Range 3 West, Monroe County, Wisconsin, thence West on the North line of said forty to the Northwest corner thereof, thence West to intersect public highway as now laid out, thence South 33 feet, thence East to a point 2 rods West of the East line of the Southeast Quarter of the Northeast Quarter of said Section 20, thence Southeasterly to a point on the East line of the Southeast Quarter of the Northeast Quarter of said Section 20, 58 feet South of the Northeast corner of the Southeast Quarter of the Northeast Quarter of said Section 20, thence North 2 rods 2½ feet, thence in a Northwesterly direction to the point of beginning.

And we did at the time of making said Order ascertain and assess damages to the owners of the real estate over or through which said highway is laid and the advantages of such highway to the applicant therefor, as follows:

To Mike Fredericks, owner of the South Half of the Northeast Quarter of Section 20, thru which said highway passes on the North side thereof, said Mike Fredericks being present at the time of the hearing and agreed that the sum of \$25.00 be the sum which the Town Board did award unto him and therefor the said Town Board does award unto him the sum of \$25.00 for the taking of his land as damages as heretofore the same was subject to a private way across his lands.

To Alfred Von Ruden, owner of the Northwest Quarter of the Northeast Quarter of said Section 20, the sum of \$25.00 is determined and assessed as his damages as the Town Board determines that the taking of his lands for the laying of the said public highway he receives advantages therefor as it is adding his lands on the Southerly part thereof to make the required width of two rods.

To Peter Jost, owner of the Northeast Quarter of the Northeast Quarter of said Section 20, who has a private way from his lands to the public highway of approximately 28 feet, as shown by the records thereof, the sum of No Dollars as damages as the advantages of the public highway exceed the damages sustained.

And to Frank Miller the applicant we determine and assess as the advantages of said highway the sum of Fifty Dollars,
