The road is only a one rod road from August Westfahl's buildings to the section line.

The State has already accepted the road on gas tax.

The town takes care of this road in the winter, and Raymond Westfahl takes care of it in the summer. This agreement is to be left as it is.

A motion was made and seconded to have the town accept the road from the end of the town road up to Richard Westfahl's trailer house, as a town road if it is brought up to the town boards specifications. This includes a deed to the land.

There were 43 votes cast of which we had 27 yes, and 15 nos.

The motion was carried. Someone mentioned putting
