I, Bryan H. Meyer, do hereby certify that on the 27th day of July 19 92, I found (evidence) ~~(no evidence)~~ of the Northwest corner of Section 27, T 15 N, R 1 E Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 28th day of July 1992. Bryan H. Meyer Deputy County Surveyor

History of corner establishment since Original Government Survey

Fred Holden was here in March of 1905 and set an iron pipe at the corner.

See Reverse Side For Maintenance

Description of corner evidence found:

I made an extensive search for Holden's iron pipe, but was unable to find it. I accepted the intersection of the centerline of Ember Avenue from the East with a fence line projection from the North as the best available evidence of the corner location.
