Dated this 30th day of Dec. 1988

R\_1 W. Fourth Principal Meridian, and I reestablished said corner according to the Wisconsin

Registered Land Surveyor

Description of corner evidence found:

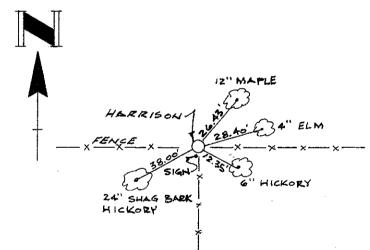

Could find no evidence of Ingalls bearing trees. Set corner at intersection of three-way fence. This proportions extremely well with Ingalls measurements East and West from this point, although it seems likely he may have added a chain in his measurement to the Center of Section.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
