| BEARINGS ARE REFERENCED TO: |         |                 |           |        |  |
| Monr                        | oe Cour | ıty             | Coordina  | tes    |  |

Describe any record evidence, monument evidence, testimonial evidence or any other material evidence you considered and whether the monument was found or restored through acceptance of an obliterated evidence location.

No bearing trees of record were located.

I found a 1/2" iron rod with a hammer type head attached to it on the East side of a 3-way fence corner. It appeared old and was very stable.

This 1/2" iron rod is 7.1' $\pm$  North and 4.7' $\pm$  East of the mid-point between the SW & SE Corners of the Section.

Though Holden only mentions a 1/2" iron rod, it is possible that this monument is his. It is also located at occupation.

I accepted this monument as the best available evidence of the original government corner and replaced it with a Harrison Monument.

Describe or show any material discrepancy between the location of the restored corner and that of the corner previously restored or re-established.

Alfred Brown established this corner in January 1846.

Fred Holden was at this corner, in December 1902, during a survey in Section 8. He shows he re-established this corner and set a 1/2" iron rod at the corner.

## RECORD OF DURABLE WITNESS MONUMENTS

| NO | DESCRIPTION  | BEARING       | DISTANCE |
|----|--|---------------|----------|
| 1  | Set 3/4" x 18" Iron Rod<br>In Fence — 2' North of a 5" Hickory | N 03°37'32" W | 84.23'   |
| 2  | Set 3/4" x 18" Iron Rod<br>2' East of a 12" Birch              | N 83°45'08" E | 80.36'   |
| 3  | Set 3/4" x 18" Iron Rod<br>In Fence Line                       | S 00°04'20" E | 124.58'  |
| 4  | Set 3/4" x 18" Iron Rod<br>In Fence Line                       | S 88°32'18" W | 110.67'  |
