I, __William C. Jung__, do hereby certify that on the _____ 20th _____ day of __September__ 1982 I found (evidence) ~~(no evidence)~~ of the __West ¼__ corner of __Section 13__, T __15__ N, R __1__ W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this __25th__ day of __Jan.__ 19 __83__.

Title

History of corner establishment since Original Government Survey

In some unrecorded field notes, Holden shows that either he or another surveyor was at this corner.
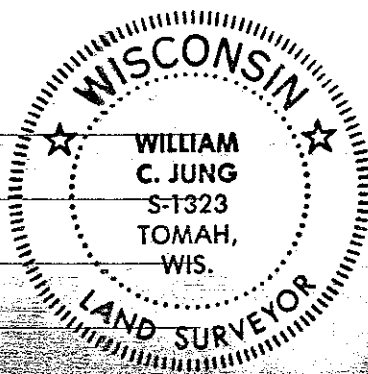

Description of corner evidence found:

Mr. Wurster said that LaRue did a survey (unrecorded) in Section 14 many years ago for Mr. Wurster's grandfather. Wurster and Witt both told me that there used to be an iron pipe at this corner and that they replaced it with the steel fence post. Was the pipe LaRue's or Holden's? I accepted the occupied fence corner as the best available evidence of the original government corner. This point fits the field evidence along the mile to the East and the 1/2 mile to the South very well.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
